

A stylized, high-contrast black and white illustration of a Native American man in profile, facing left. He wears a large, feathered headdress and a beaded necklace. The image is framed by a thick black border.

A close-up photograph of the year '1977' embossed on a metallic, textured surface. The numbers are large and bold, with a three-dimensional effect. The background has a fine, pebbled texture.

Do you know where you're going to, Do you like the things that life is showing you,
where are you going to, do you know?

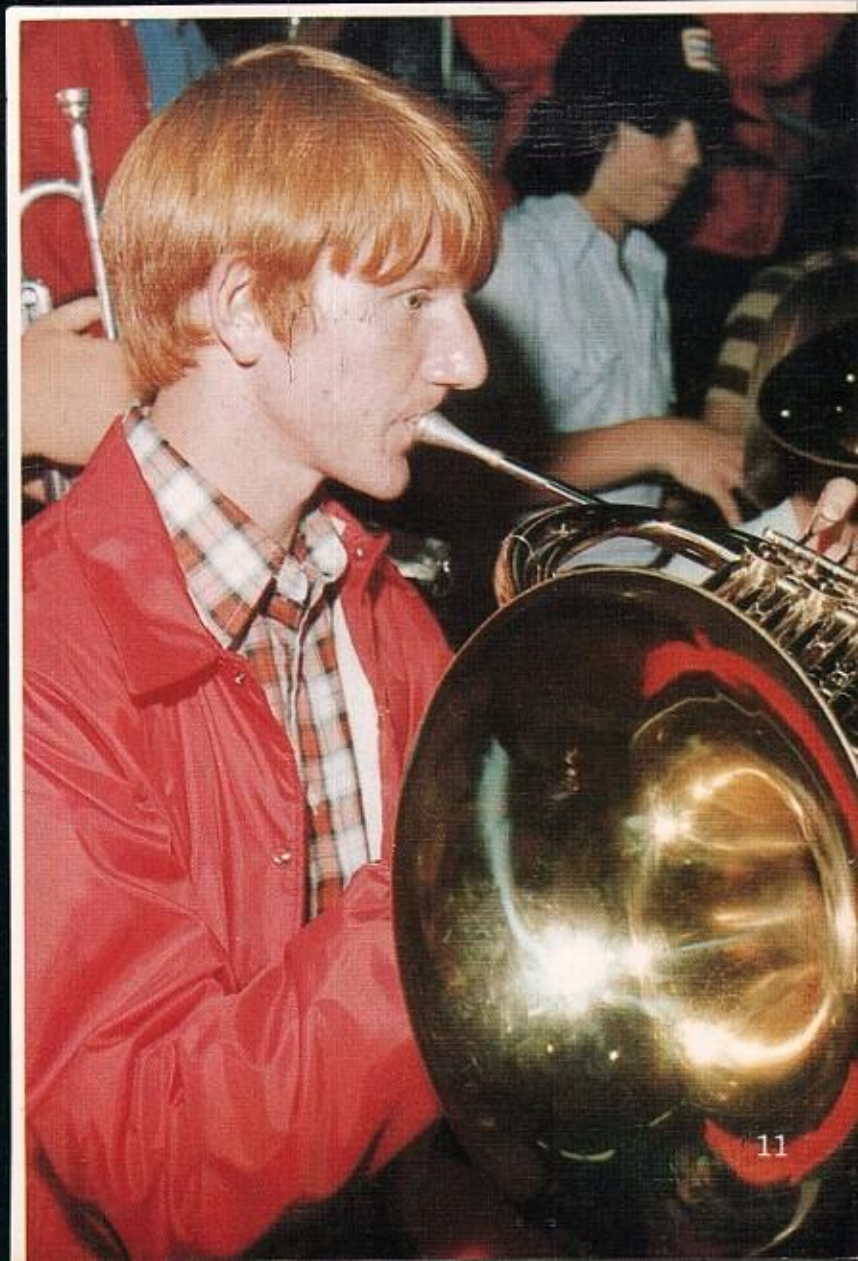

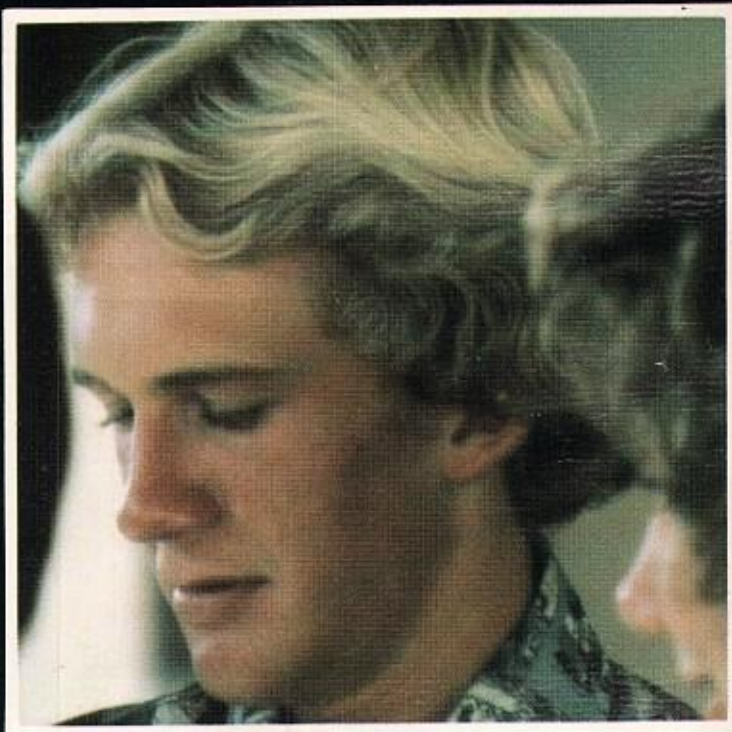

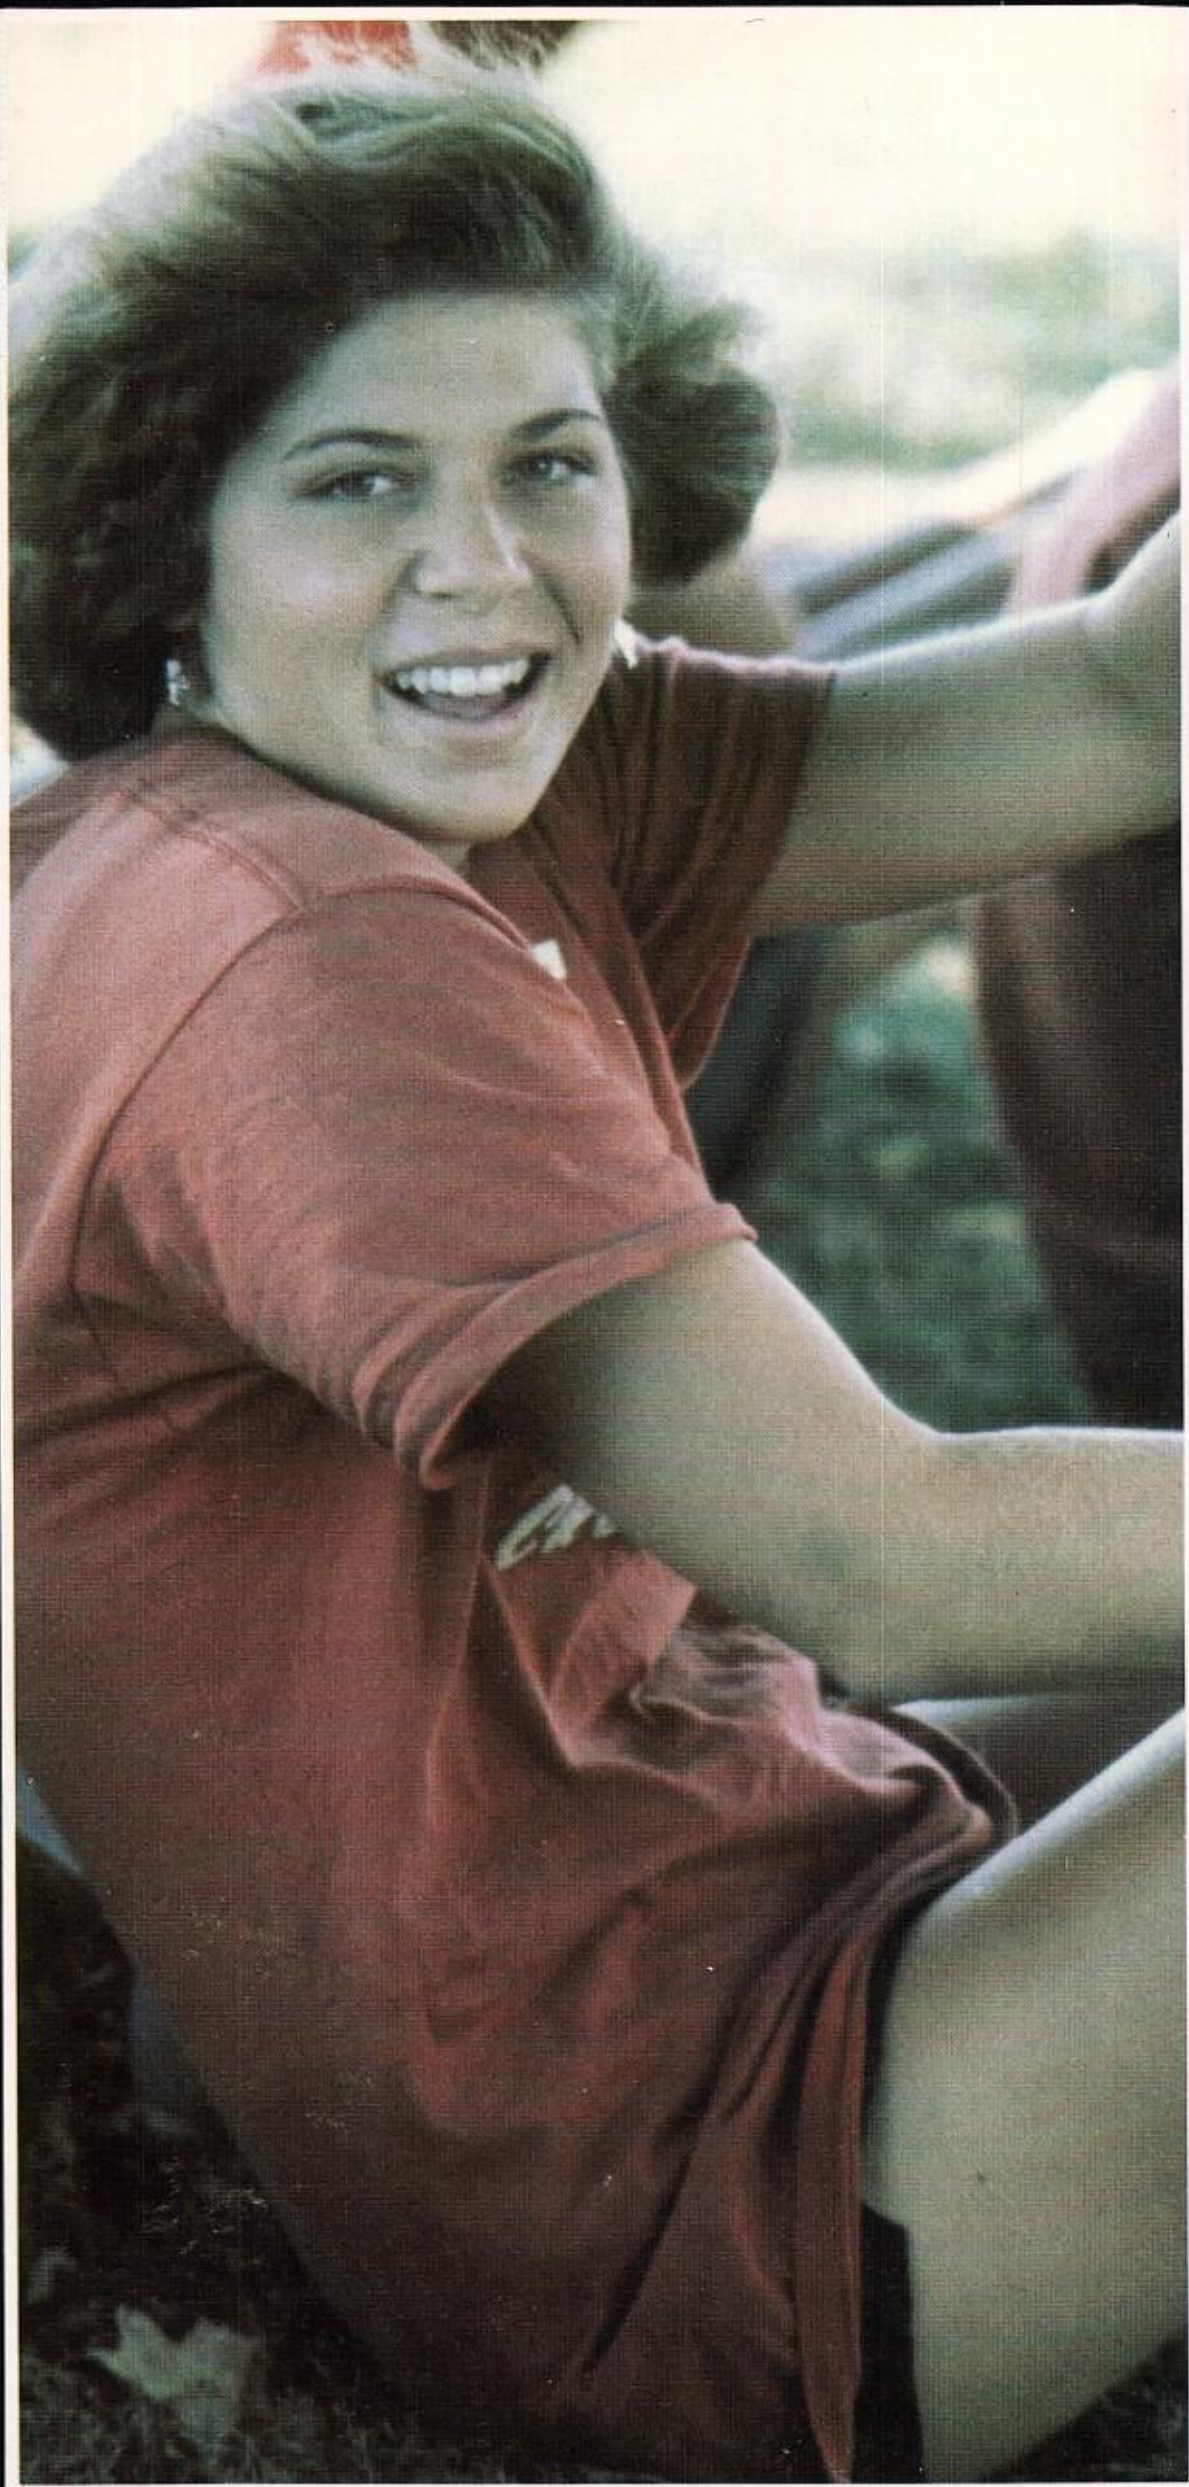

Do you get what you're hoping for? When you look behind you there's no open door,
what are you hoping for, do you know?

Do you know where you're going to, Do you like the things that life is showing you,
where are you going to, do you know?

Lawrence Durley commenting to one of our photographers

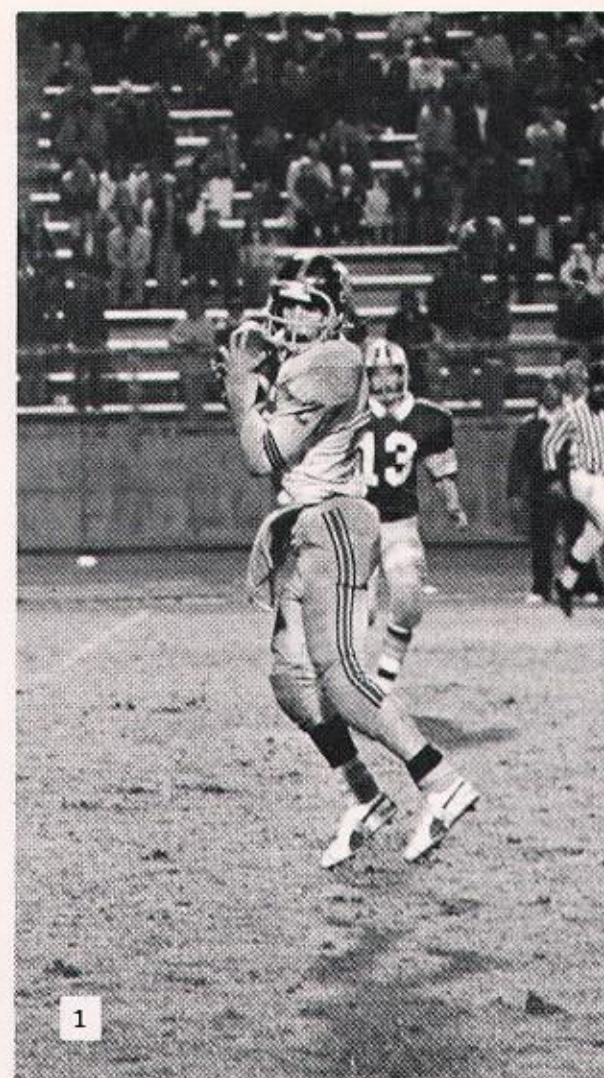

THE COMPETITORS

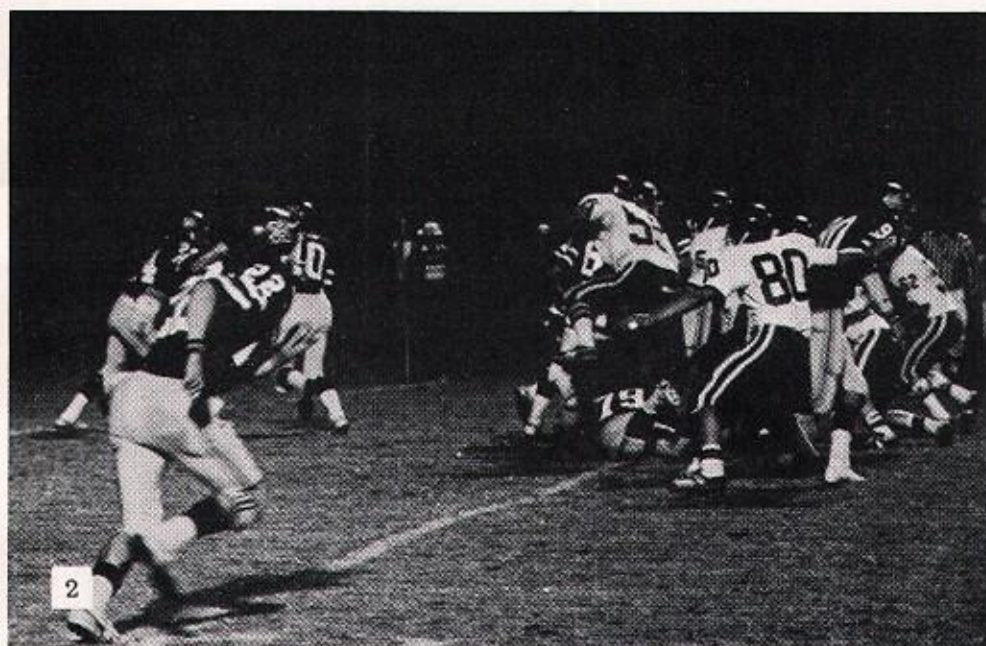

Big Red Fires Up

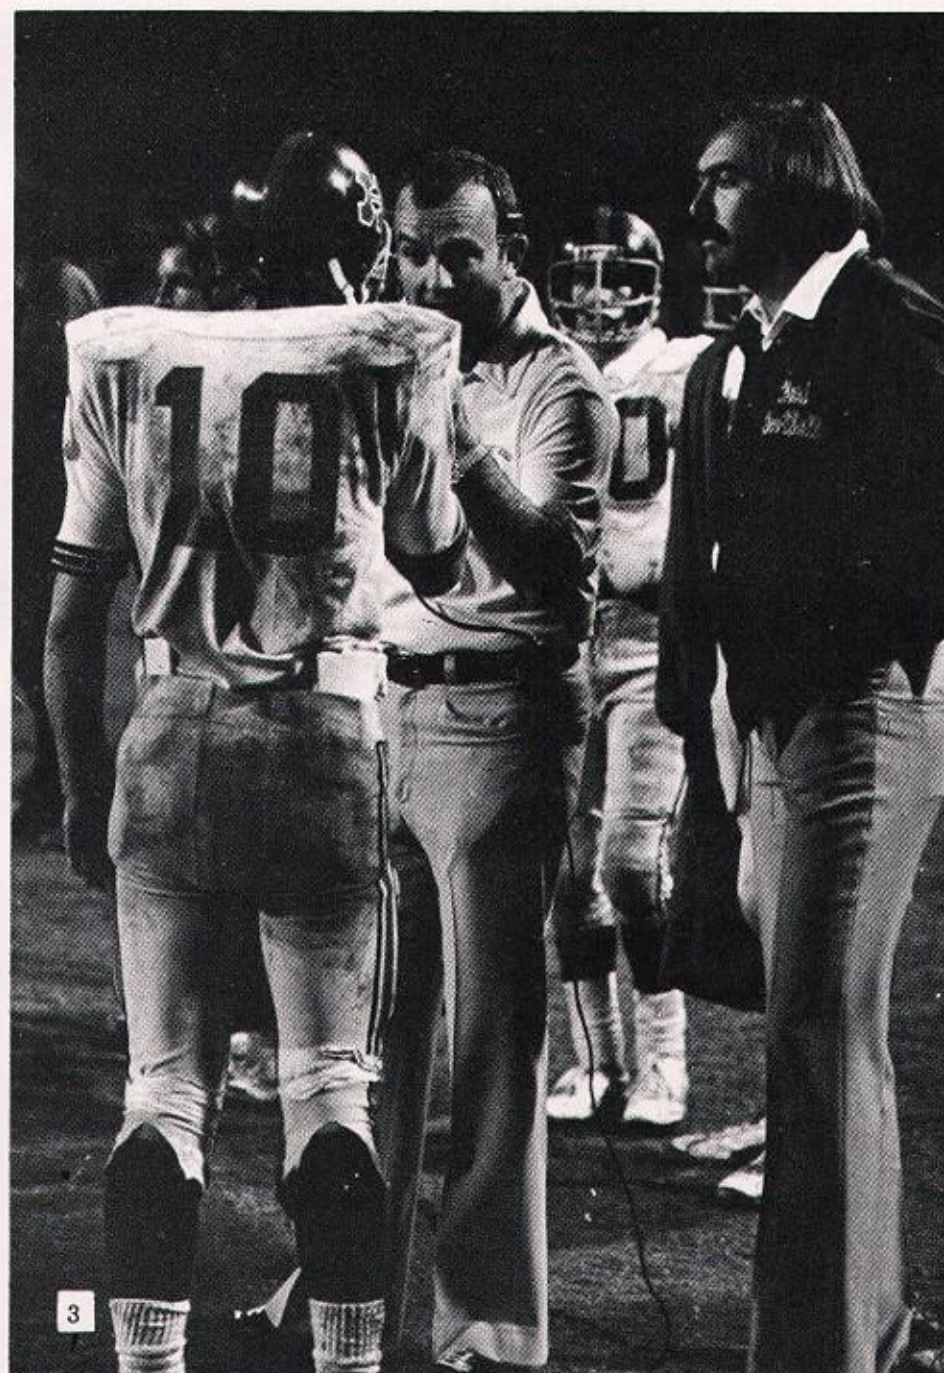

for a season of action-packed football. Under a new coach, Mr. Fred Aldrich, the team "got it together" and made the year a great one. As the close of the season drew near, excitement mounted when it became evident that the number two spot in the Foothill League would be decided at the final game of the year between cross-town rivals, Hart and Canyon. The game ended with heartbroken Indians and victorious Cowboys. The score was 12 to 7. Hopes arose once again with the announcement of a five way tie for second place. Luck was not with the Indians during the tie breaker, a combination of skill and chance. Several members were chosen for the all-league team: Steve Calderon, Brian Feraker, Jeff Green, Dave Kent, Kelly Miller, Tad Venger and Tim Watkins. Despite the end of the season disappointments, the football team did a great job and well exemplified the spirit and pride of Hart High.

The New League

Varsity of the upcoming year as the J.V. of '76 has had the experience and ability for a great season in the Golden League. The team under Coaches Ford, Selmser and Green played their last season as Foothill League players with true Hart spirit. The best moment of the season was their win over Canyon with a shut-out of 12-0. The J.V. team played well and they look forward to a good season as the Golden League Varsity of Hart. The Sophomore team, although not winning any league games, did defeat Saugus and they gained valuable experience for their season as J.V. players.

Hart's Cross Country

win-loss record was not impressive but the fact that the team consisted of inexperienced runners and that they did so well against tough Foothill League competition is impressive. Pre-season injuries and no Varsity runners painted a dim picture for the season. Awards presented to runners were: Captain, Tony Captelli; Most Valuable Varsity, Brian Pennala; Most Improved, Ken Meadows; Most Valuable Sophomore, Richard Long. Hart fielded a girls' team for the first time this year. Small in number and experience but big in determination, they placed third in Foothill League finals. Each girl was pre-

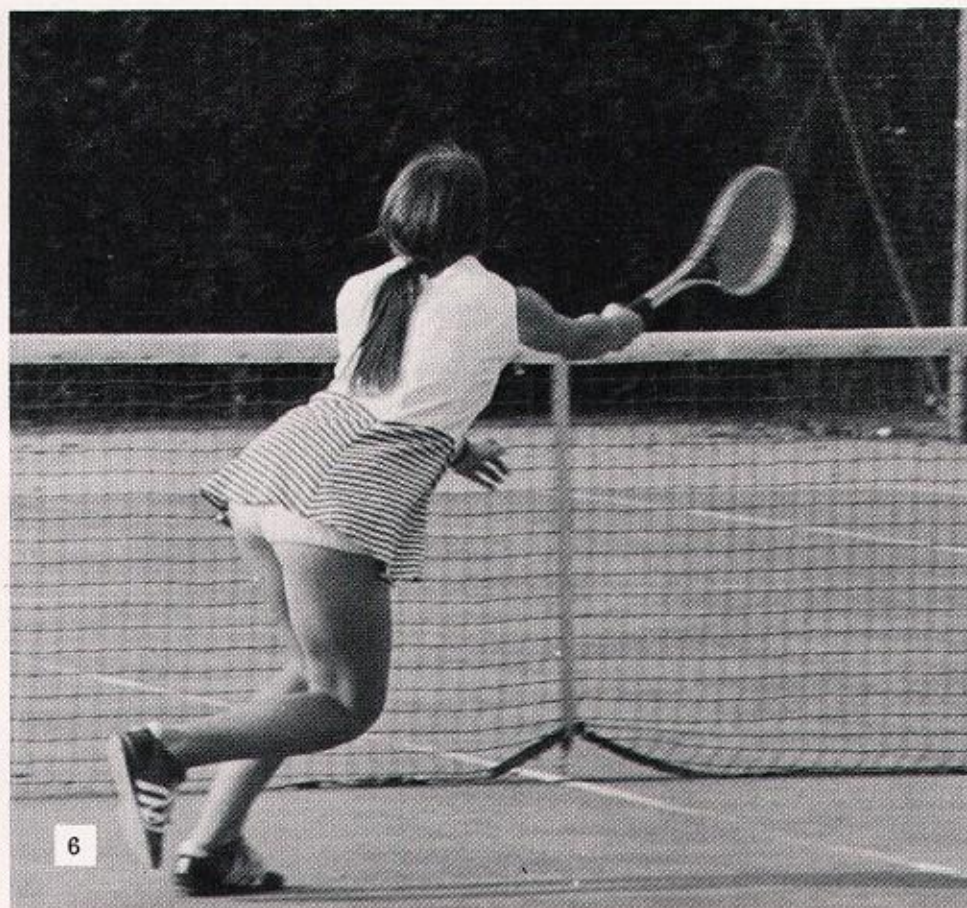

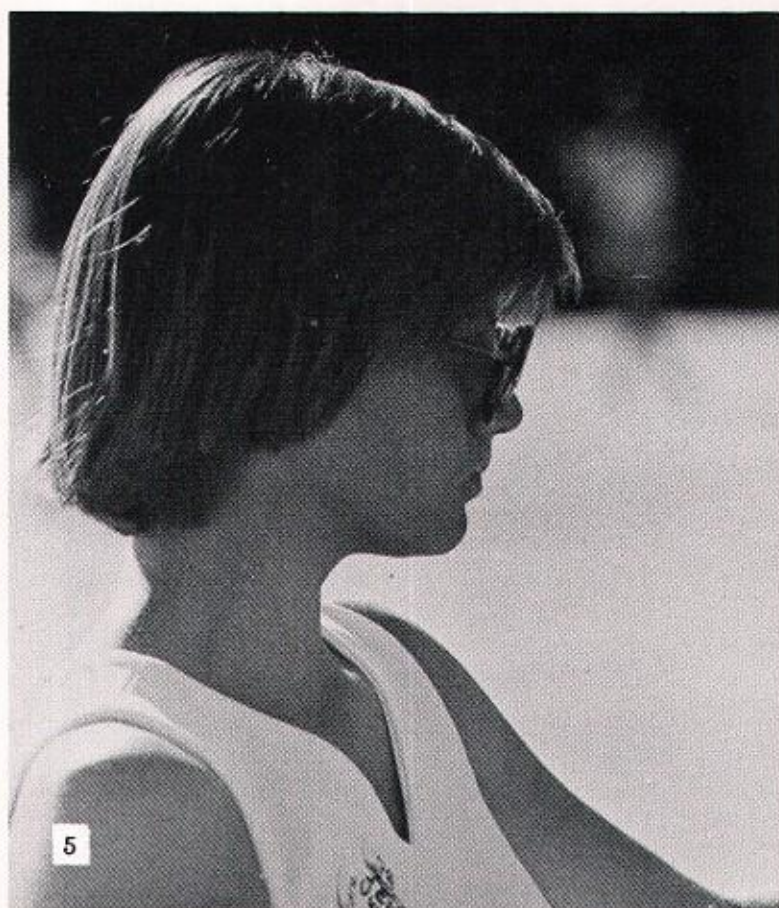

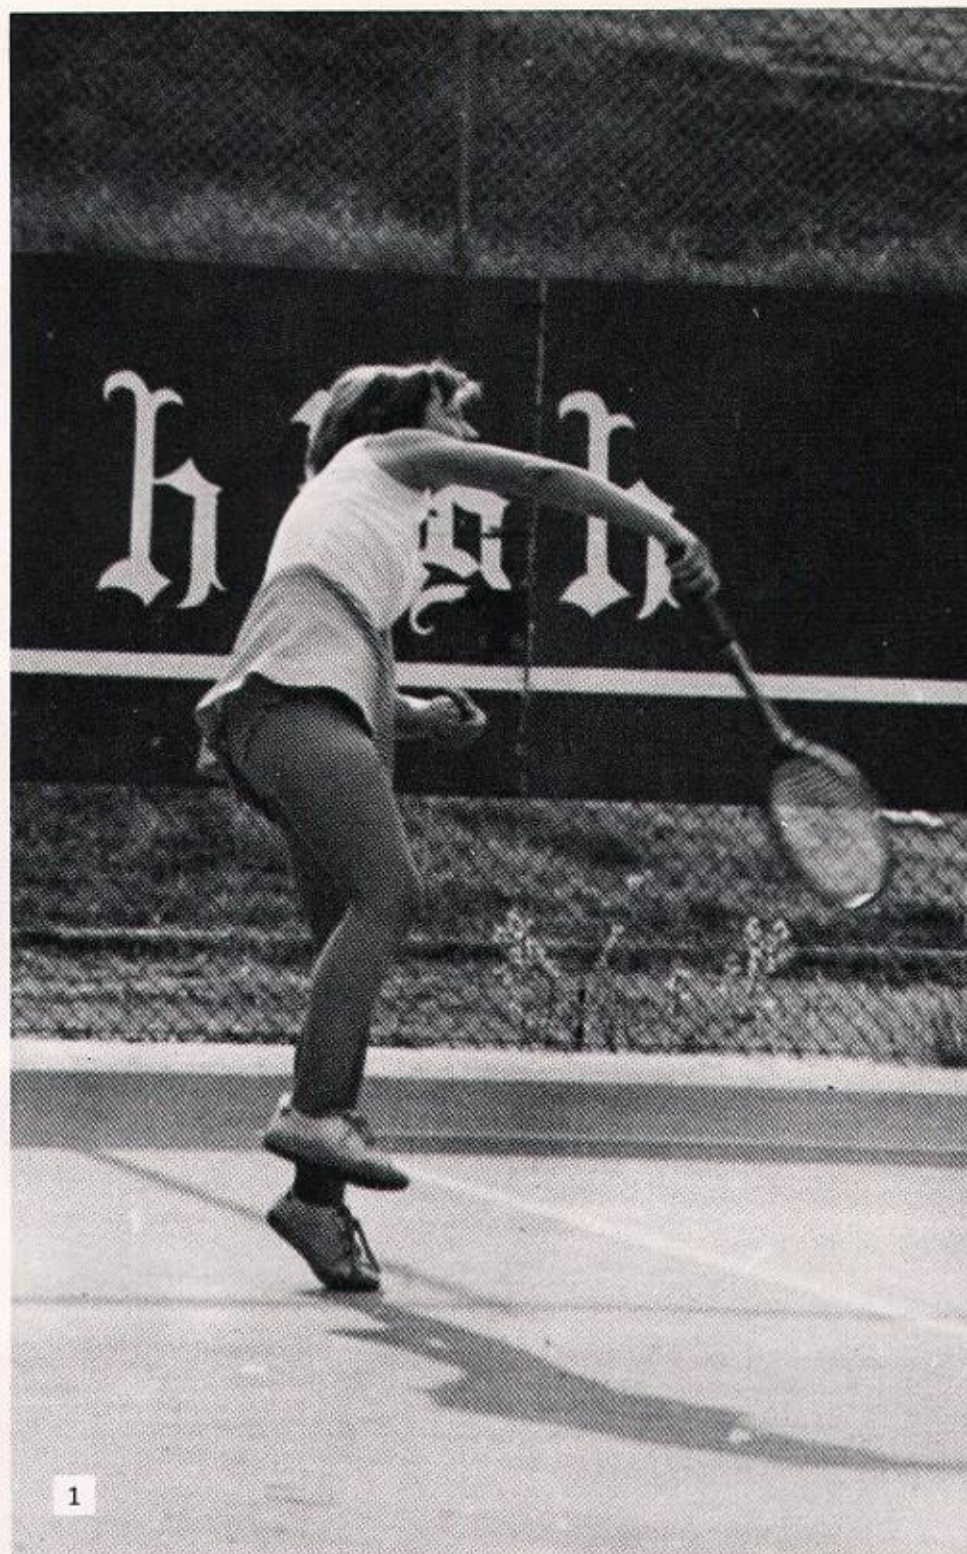

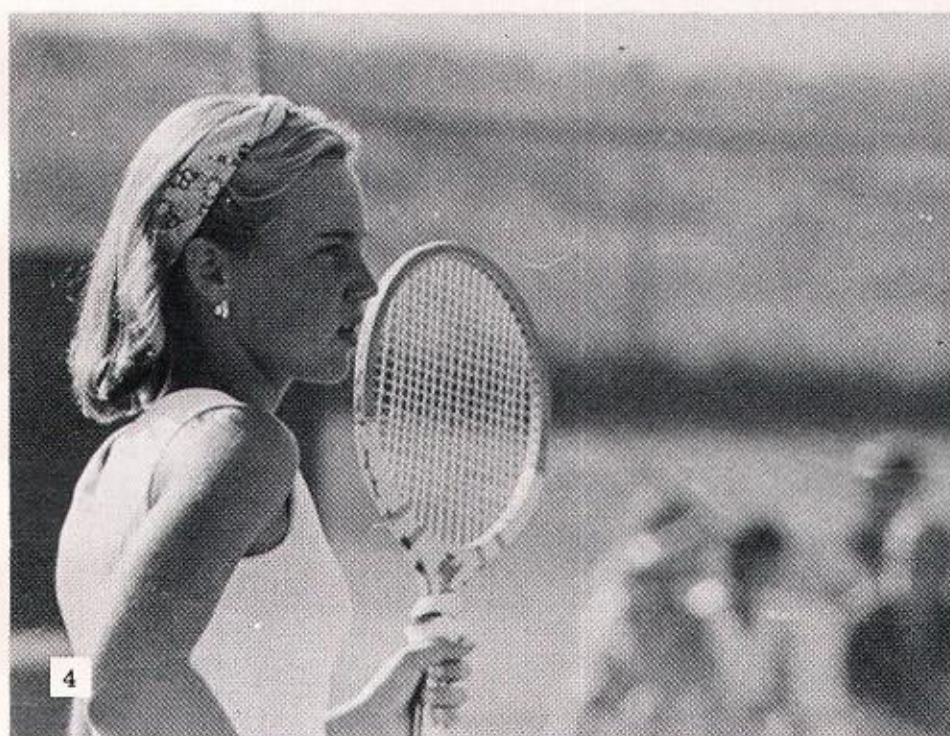

sented with a trophy as a member of the first girls' team. Most Valuable award was presented to Louise Bruce and the Coaches Award went to Lynn Davidson.

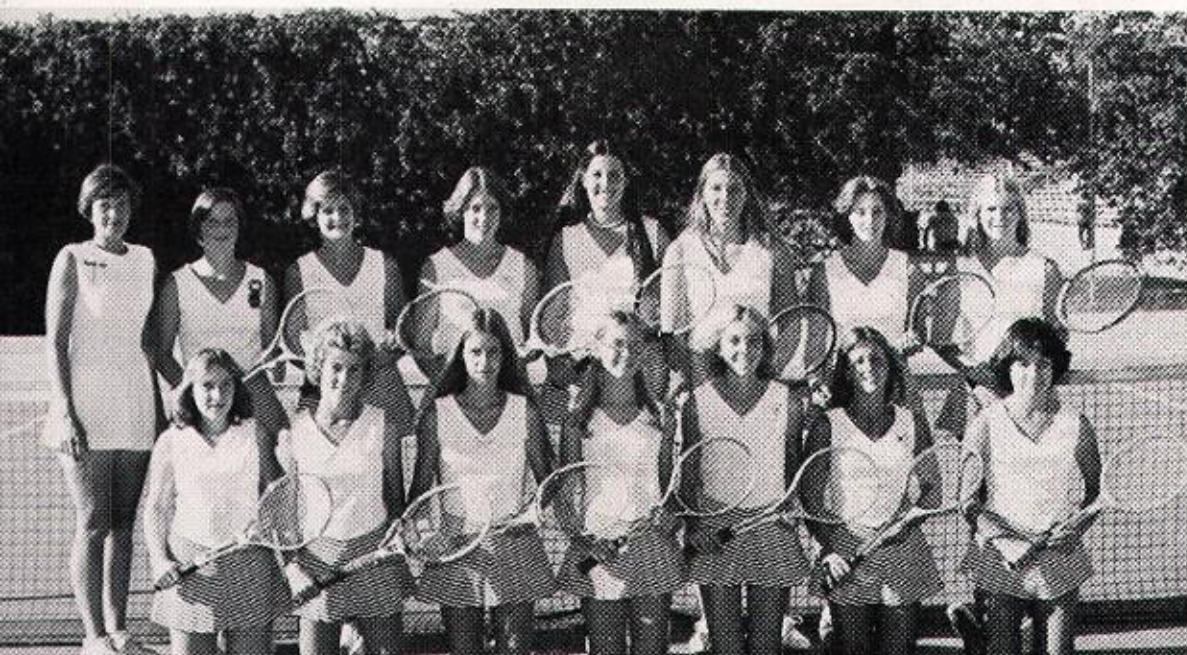

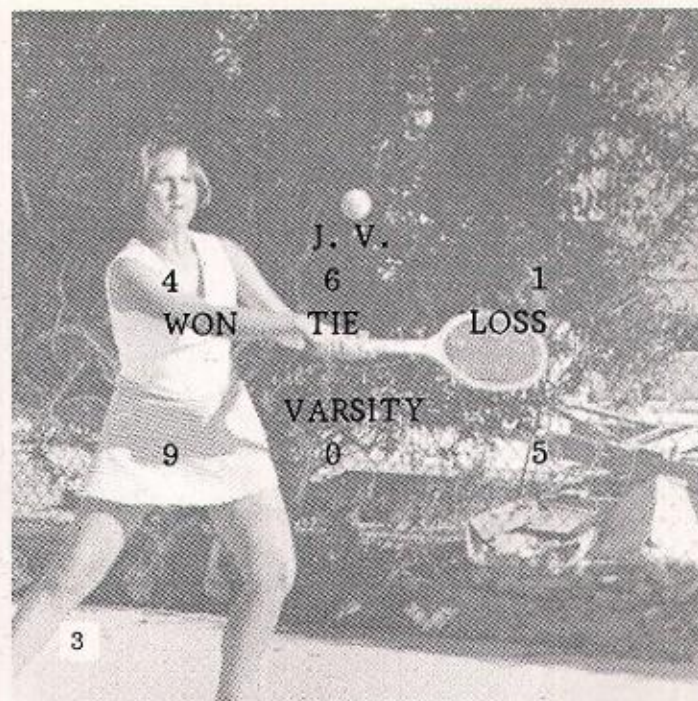

The Girls' Tennis Team

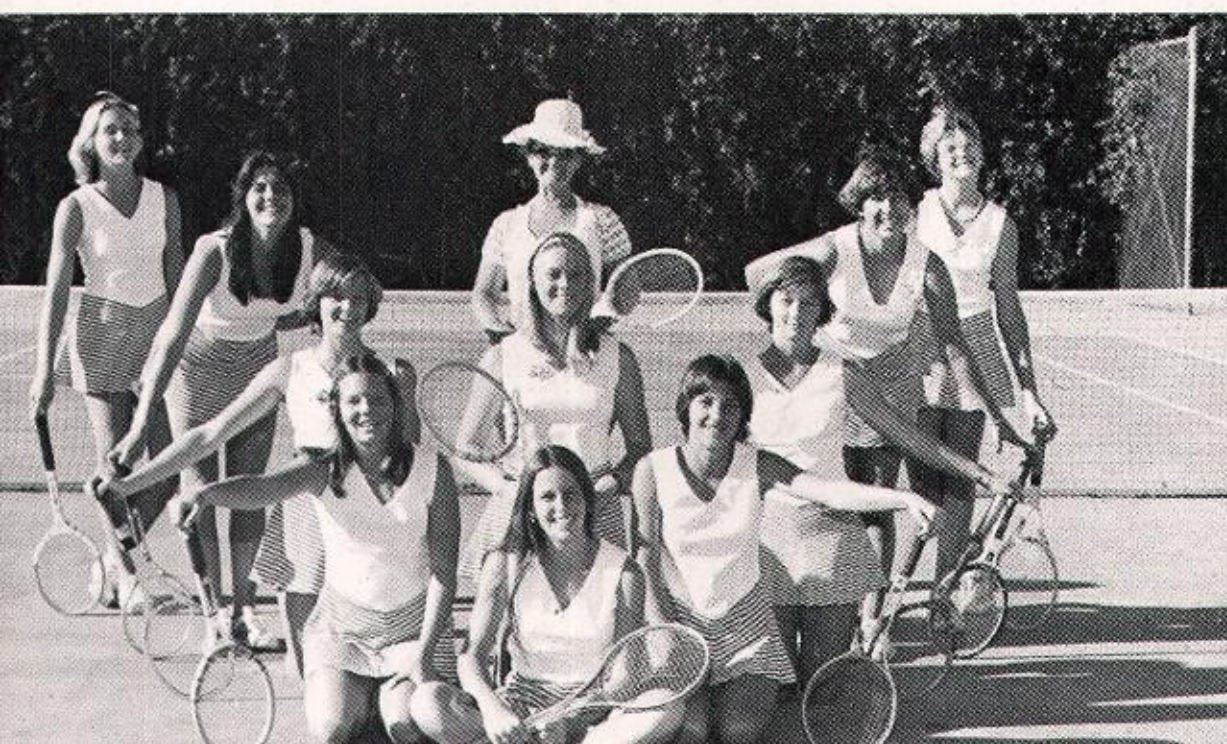

this year was a very young team, with only two returning varsity players. With all their youthfulness, the varsity team still placed fourth in the league. Congratulations to the beautiful Varsity and J.V. coaches and the beautiful players who did such a wonderful job this year.

A Worthy Season

was accomplished by the Hart Varsity, J.V., and "C" Volleyball teams this year. Holding the Most Valuable player position in Varsity was Kathy Allsman. Most Inspirational J.V. was Mary Hopkins, and Kelly Bryan was chosen for the "C" Most Valuable Player. In the Foothill All League Team, Dee Watkins was awarded Most Valuable Player and Karen Wullschleger received Honorable Mention. Managing the teams this year were Tami Meramble, Dee Dee Rivas, and Kathy Bennett. Something new this year was the forty-eight hour volleyball marathon, held on October 8, 9, and 10. The girls raised \$750.00 which went toward trophies and volleyball camp. Thus ending a good season for the girls.

finished the season with a lot of hard work, excitement and heartaches. While breaking even in the Varsity division, Water Polo Head Coach Joel Barr considered this year to be one of his best yet. However, the Sophomore team finished the season unvictoriously. A special addition to this year's team was Mike Dahl, a foreign exchange student from Sweden.

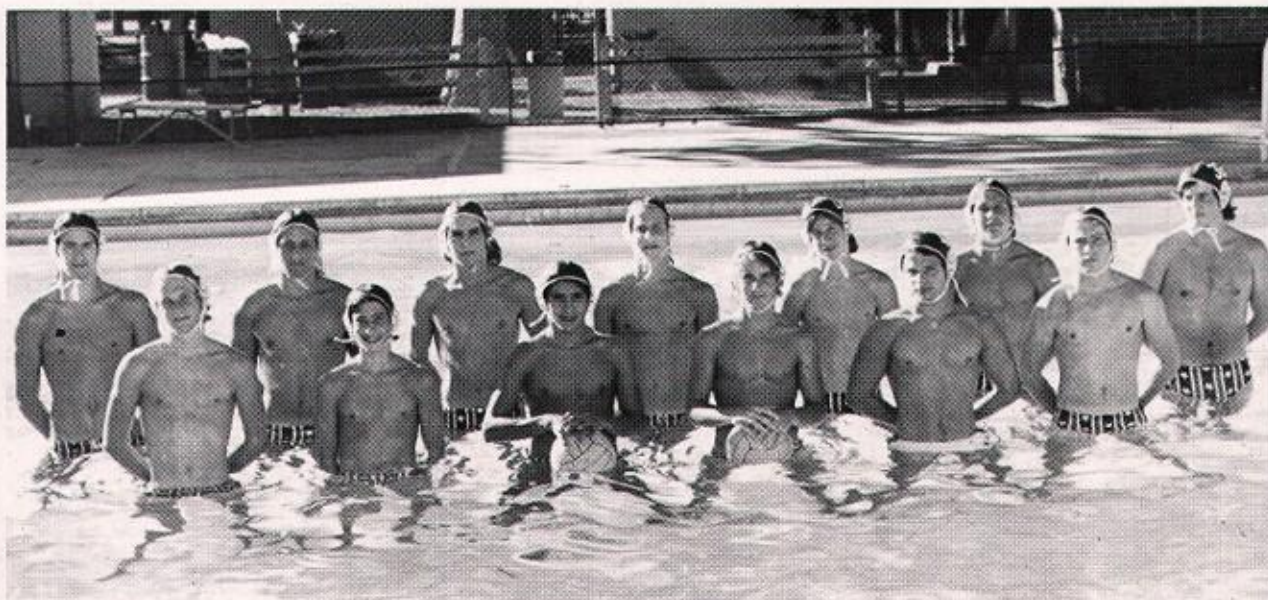

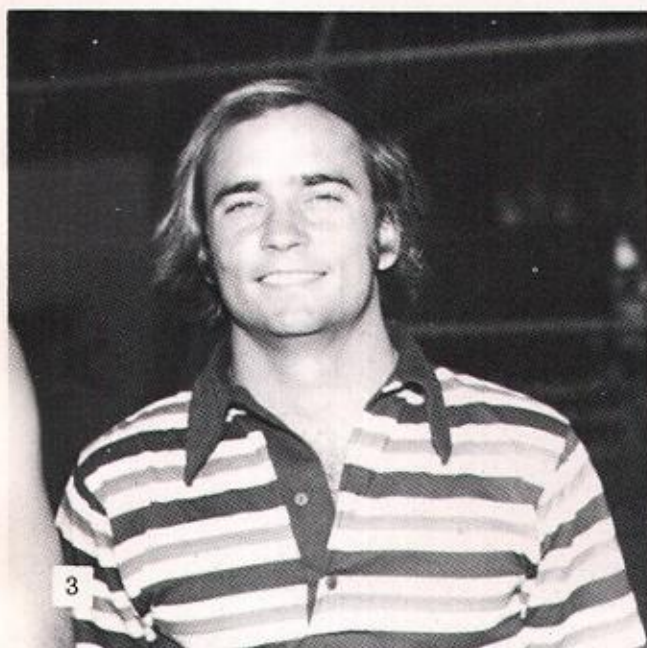

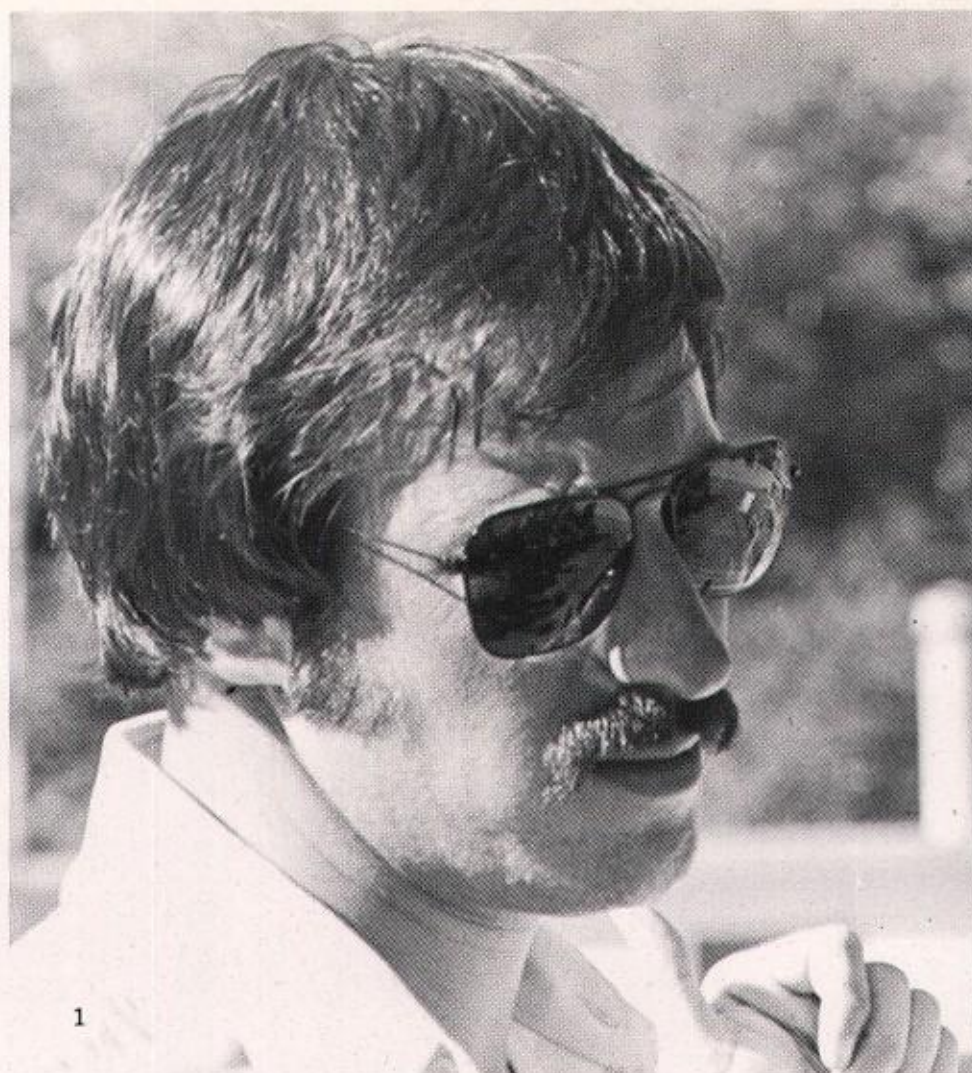

Mike played on the Junior Varsity squad and also received the most improved player award. Other awards went to:

Pass, dribble, jump,

shoot - this philosophy worked well for our varsity squad.

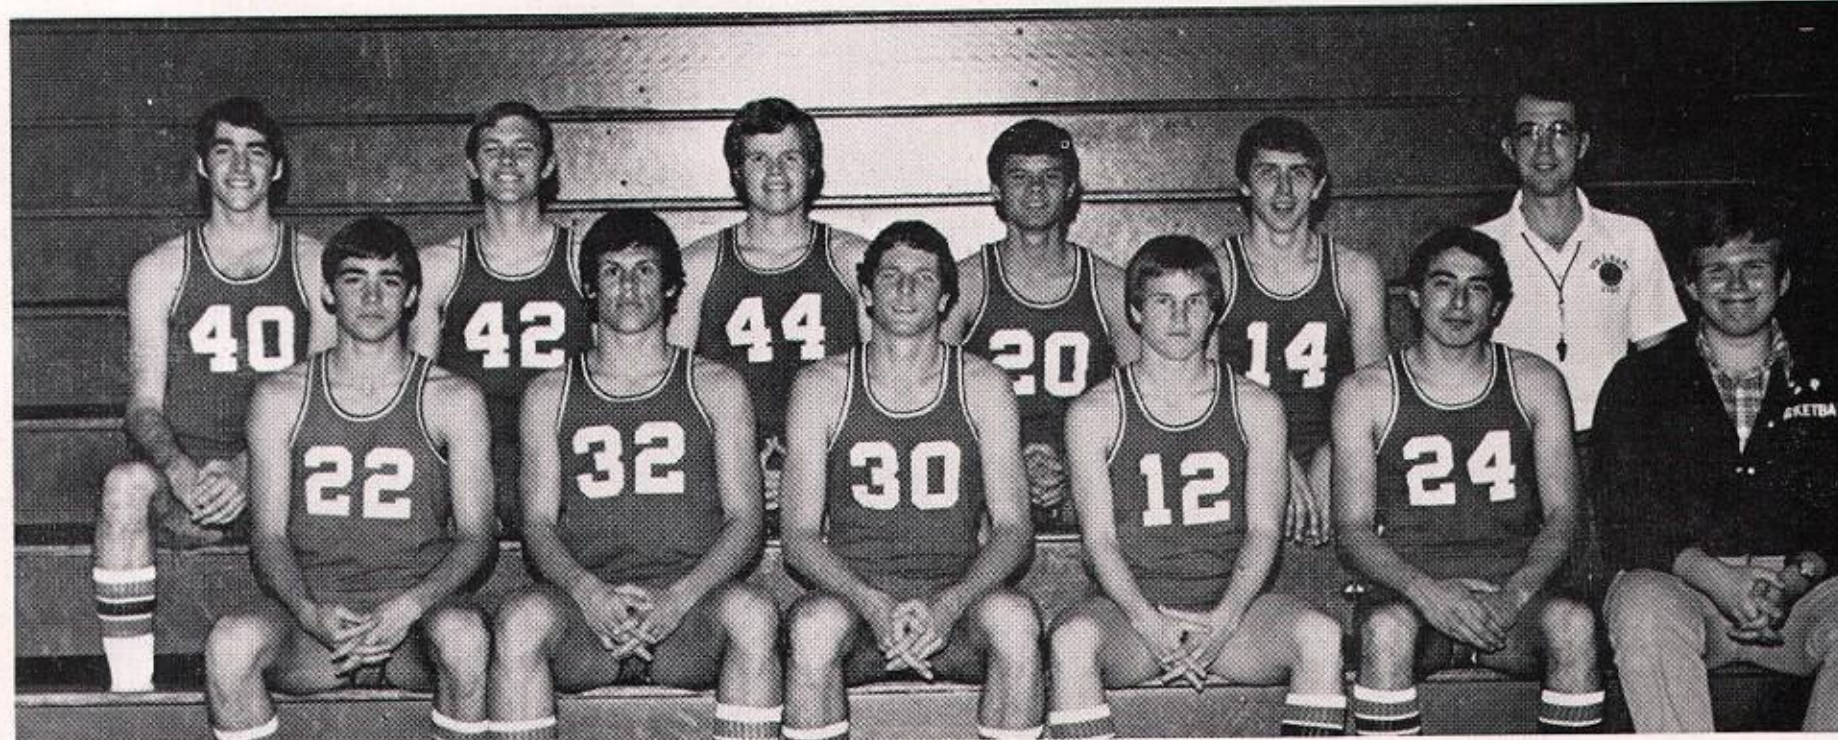

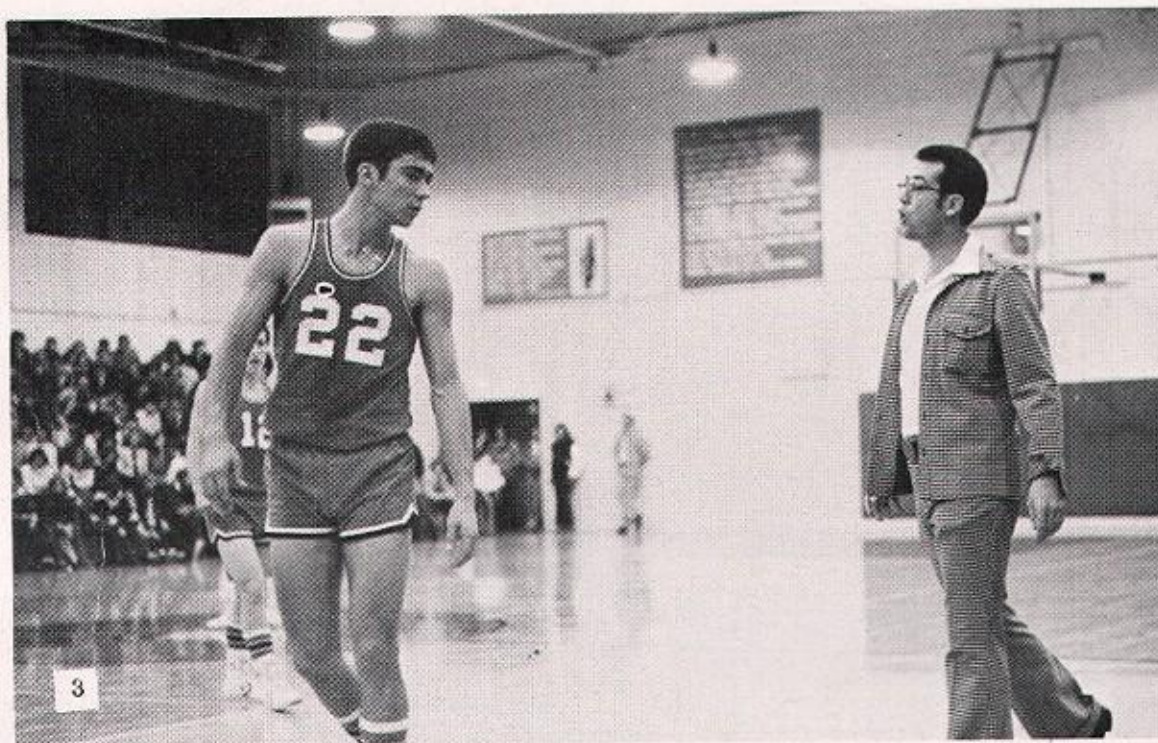

After ending a terrific season as the third place team in the Foothill League, the varsity was C.I.F. play-off bound as they traveled to Compton to play Verbum Dei.

During the season, Randy Clarke, Rob Wrage, Steve Dixon, Steve Borden and Roc Murray led the Indians to an excellent 10 win-4 loss seasonal record. The basketball season ended for our players after a one-point loss in an overtime game. Despite the size of the Compton team, our players held their own and proved that spirit adds as much to a game as skill. A special thanks

went to Coach Wrage for excellently coaching the Indians to such a fine season. This "fine" season is defined by magnificent statistics.

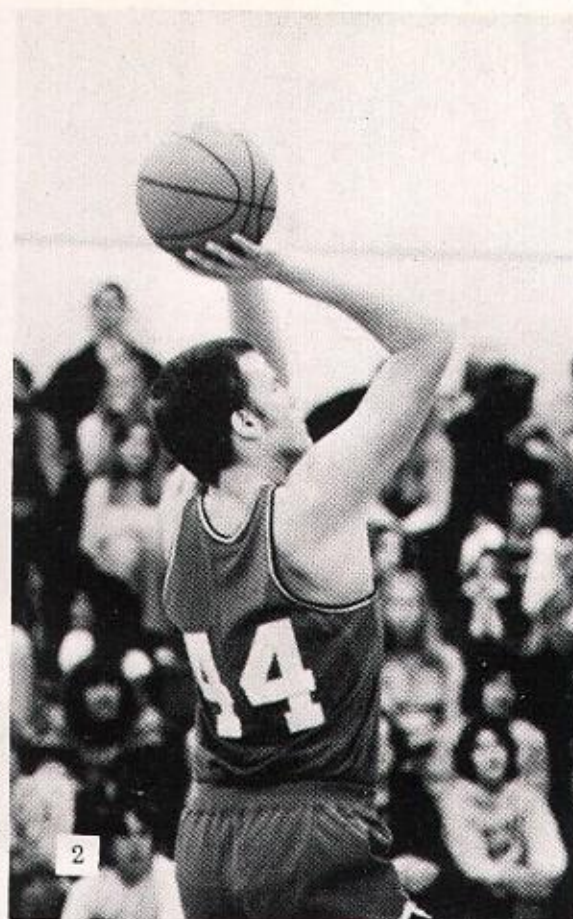

Steve Dixon ended up as the top rebounder with 184 for the season. Rob Wrage came out with three awards this year: highest field goal percentage, .541; highest free-throw percentage, .824; and Most Valuable Player. Greg Rhodes received two awards, one for being the Most Improved player and, also, the Scholar-Athlete.

There was a tie this year for the Most Inspirational Award; it went to both Jeff Hallman and Roc Murray. Jeff Hallman also received the famed Big Ball Award for having an outstanding record of sixteen.

A second place

in the Foothill League was won by the J. V. basketball team, despite an unceremonious ending to their season, posting a 9-5 league record. The team lost four of their last five games, after putting together six straight wins. The team was at a height disadvantage throughout the season, but compensated for it with intensity, hustle and determination. In fact, coach John Clark felt the team played better than their ability through the whole year. Jeff McKinney led the team in both scoring and rebounding. The team's overall record was 16-7.

was gained by the Sophomores, who inverted the record of the J.V.'s battling to a 7-16 record. Several outstanding performances throughout the season were turned in by three individuals. Bill Rezo, Gary Peters, and Doug Bonnell, who averaged 21.8 points per game, kept the team in games all year. In fact, under the watchful eye of John Garner the team played in four games in which the winning margin was only two points. Two of these games were against Canyon. In the final Canyon contest, the team overcame a large deficit to lose by a rather respectable one point, 52-51. This ended a 4 win, 10 loss Foothill League season for the team.

Hard Work

really payed off for the Girls' Varsity Basketball team. The Antelope Valley Basketball tournament got the team off to a good start when they won the consolation trophy and Kim LaVigne received all tournament honors. The first round of CIF competition was also very successful, ending in a 6 win, 1 loss record. Many girls contributed to this success, with four

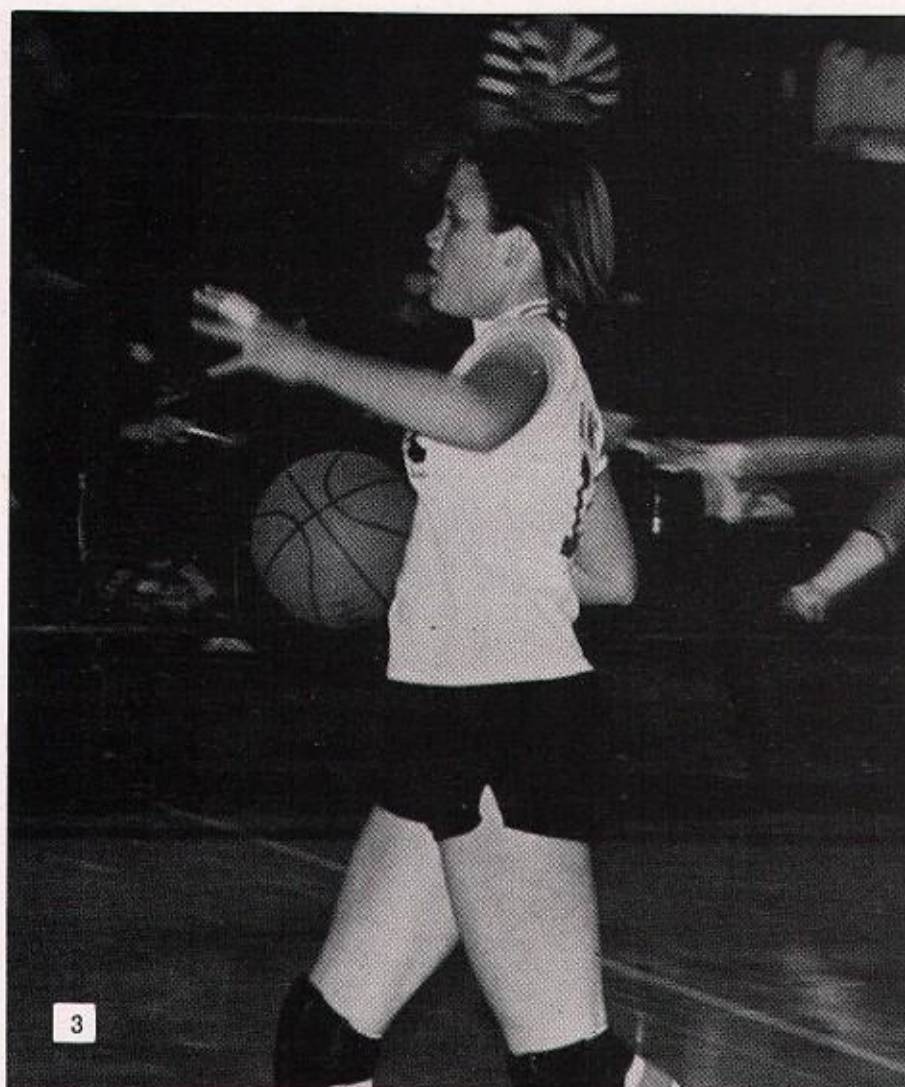

of them, Jody Wine, Kim LaVigne, Karen Wullschleger and Cathy Siegel being named to the CIF All-League 1st and 2nd teams. Injuries had an effect on the outcome of the second round of play,

but Hart still finished 3rd place in the foothill league. At the awards banquet, outstanding players were honored. Kathy Morrison received the Most Improved player award, Jody Wine was chosen as Most Inspirational, Kim LaVigne was awarded Most Valuable player and the Coach's trophy was received by Karen Wullschleger. All in all, the 1976-77 Girls' Basketball team provided one of the most exciting seasons it has ever had.

Jumpshots, Freethrows

and lots of hard practices were the goal of the hard working girls' J.V. Basketball team. A team of just about all newcomers this girls' Basketball team had the courage and drive to continue the year despite their no win season. The year's most valuable award went to Kelly Bryan and most improved went to Debbie Mehr. Pat Maunakea coached the girls through out the season. The J.V. team learned alot this season and did a great job representing Hart High School.

Undefeated . . .

was the theme for the 1977 Girls' Gymnastics team with a 9 to 0 win record, first time in Hart's history has the varsity team been undefeated. The girls worked very hard not only preparing for competitions but also by spending their time on fund raisers. These consisted of a See's sucker sale, three bake sales, and a cartwheel-a-thon. The money raised from these went towards replacing a defective vault, buying a 42 X 42 mat, and a four inch landing mat. The efforts of these girls did not go unnoticed, on June 1, 1977 an awards banquet was given. The following awards were received: Uneven parallel bars, Sandy Hall; Balance Beam, Christene Christy; Vault, Jennifer Perrett; Floor Routine, Collen Waters; Best All Around, Michele Perret; Most Inspirational, Debbie Orosco; Hardest Worker, Vicki Anderson; Most Improved, Kellie Williams. that's how many shots the golf team outscored their opponents enroute to another Foothill League crown. In fact, the league may have been classified as having only three teams: Hart, Burroughs, and Burbank. Both of the latter teams split matches with the Indians, with both of Hart's losses happening on the tough DeBall course. Besides the two teams mentioned above, Hart ripped through the league, its lowest margin of victory was 22 strokes against Hoover, the highest 69 versus Blair. Their seasonal record ended at 12-2.

Although the season

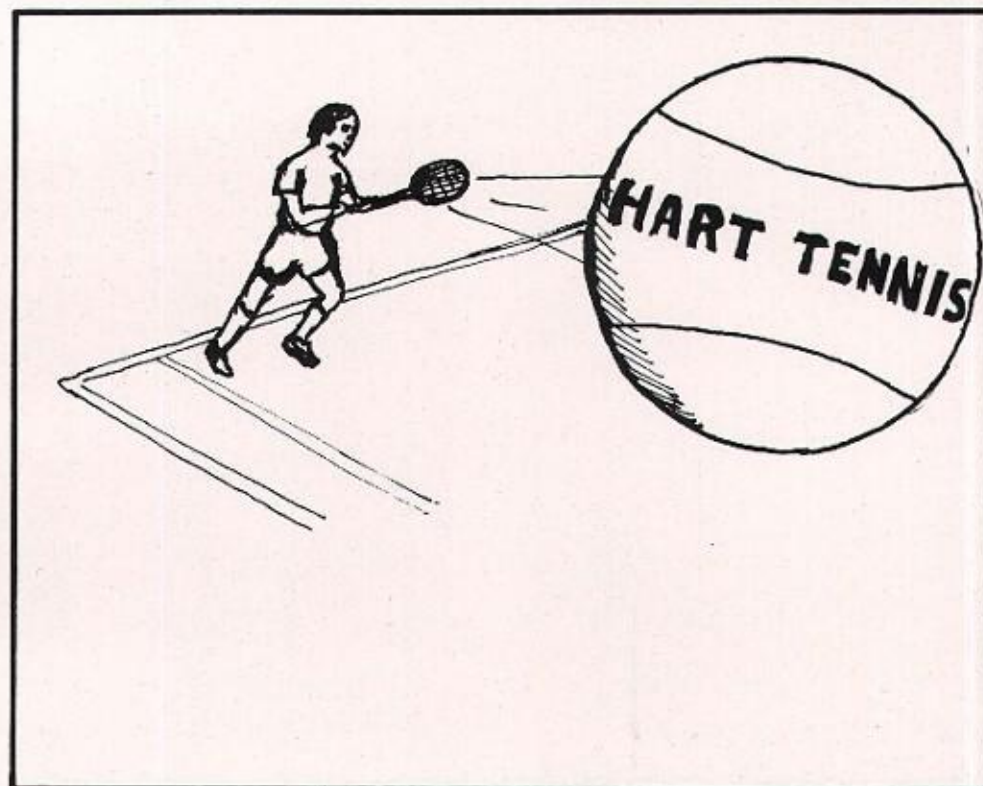

wasn't the best they've ever had, Hart's boys' varsity team had a "great attitude" and was the "best team I've ever had as far as sportsmanship goes," according to Coach Joann Santarsiere. Although they didn't win as many matches as they would've liked to, they found out that winning wasn't every-

thing as it seemed to be with many of their competitors, many of who developed the "Ilie Nastase syndrome." The season wasn't a total loss however, because, although they won only four games there were many close games, and one tie. In addition, with the help of manager Kim Crawford, Hart won their last game of the year against Canyon, 15-13.

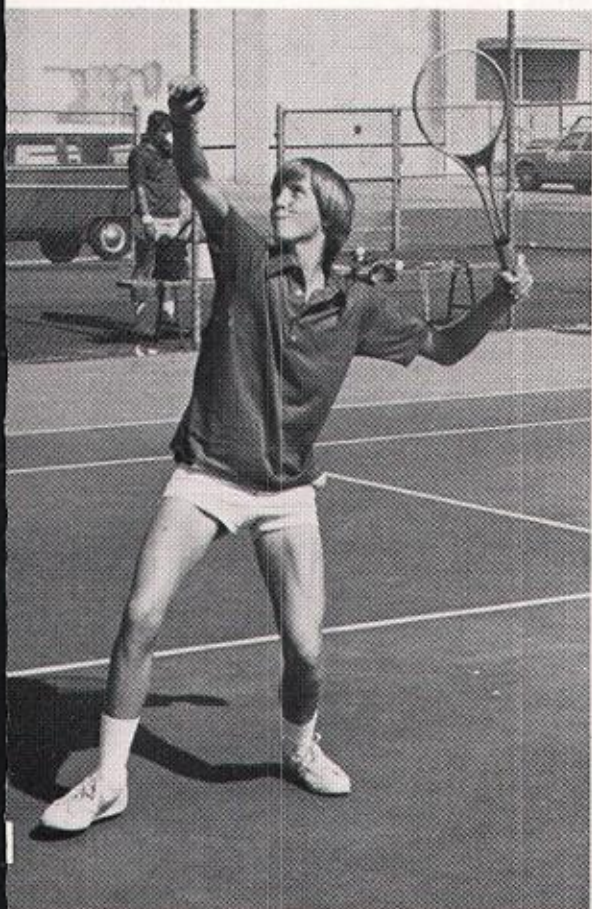

At the awards banquet, held at the end of the season, John Doty was voted most valuable and Jeff Forbes received the prestigious "zipper" award for the most "zip" matches. The

J.V. season was fairly successful with nine wins and five losses, thanks to the superb coaching of Gina Theroff. At the

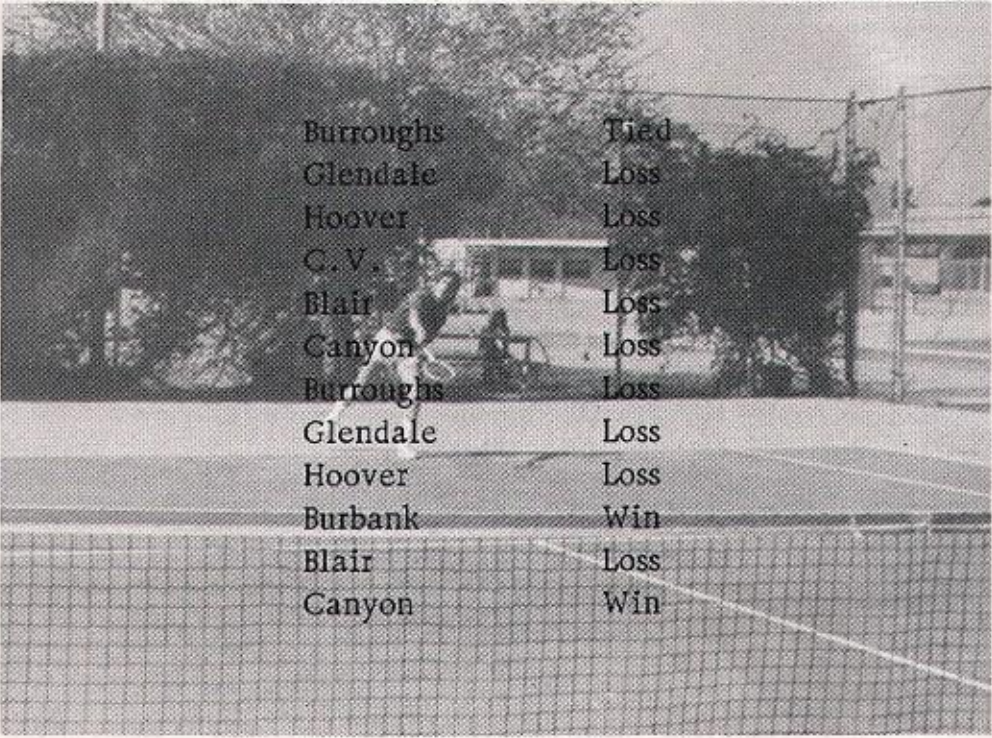

awards banquet, the following J.V. members received awards: Dave Weary was voted the most improved, Tom Spalding received the top Ace award, and Miss Santarsiere chose John McNally as the recipient of the coaches award. Gin Theroff received a special award - the Turkey award.

and team work held the 76-77 swim team together in their long and tedious season. A true asset to the team was Harold Wood. Not only was his sportsmanship appreciated, but his record holding scores. Although the team was small, the season ended with five wins and six losses. Prediction

comes true in an interview for the Signal in May, coach "Spiderman" Barr stated that the Girls' Varsity Swim Team would be undefeated this season. Well, his dream became a reality. The Varsity team was undefeated in the season's dual meets. The highlight of the 1977 swim team was at the Foothill League finals held at Glendale High School. For the first time in Hart's history, Blair's Varsity team was defeated by a narrow margin $4\frac{1}{2}$ points. J.V. girls did very well considering the stiff competition that they encountered in the dual meets. They finished 3rd in the League meet, and 4th in the league. The 1978 Girls' Varsity team will prosper from the talents of many J.V. swimmers that will be moved up to Varsity next year.

Going, going, gone —

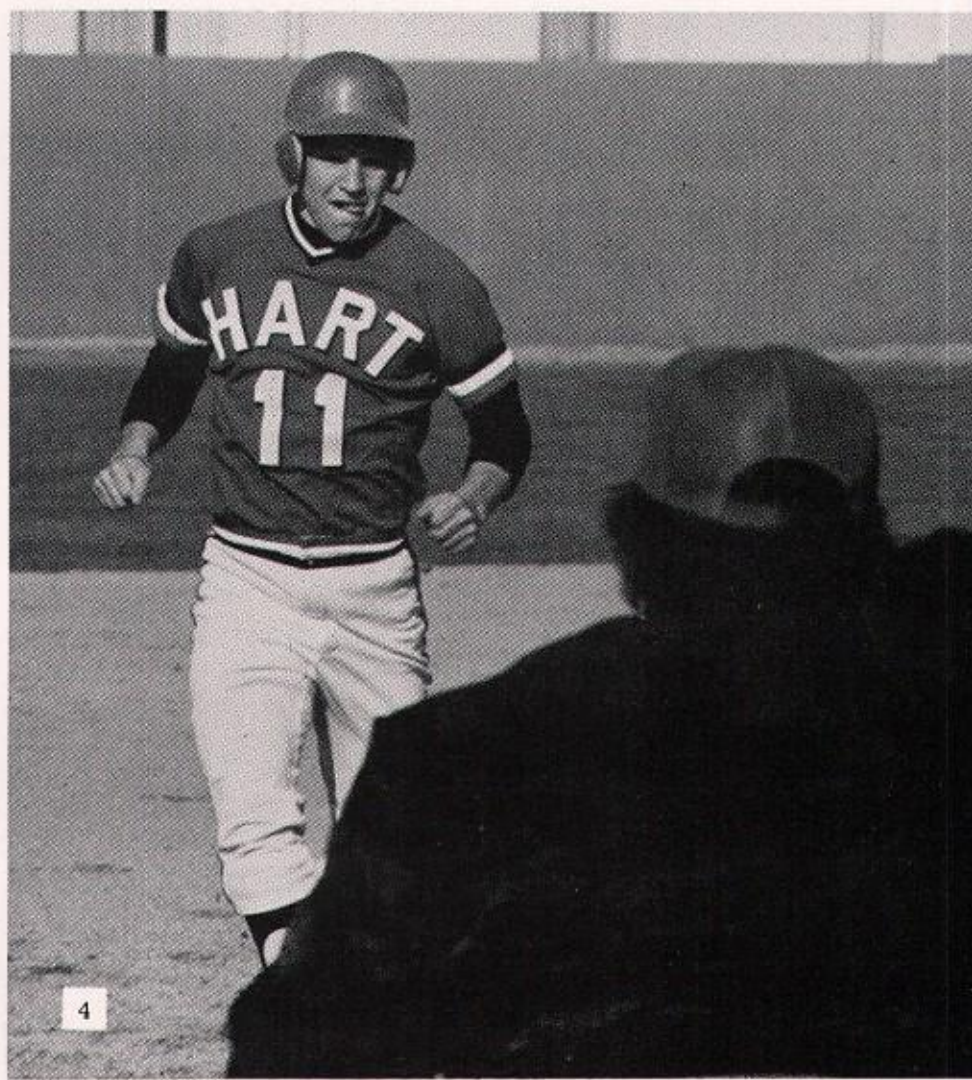

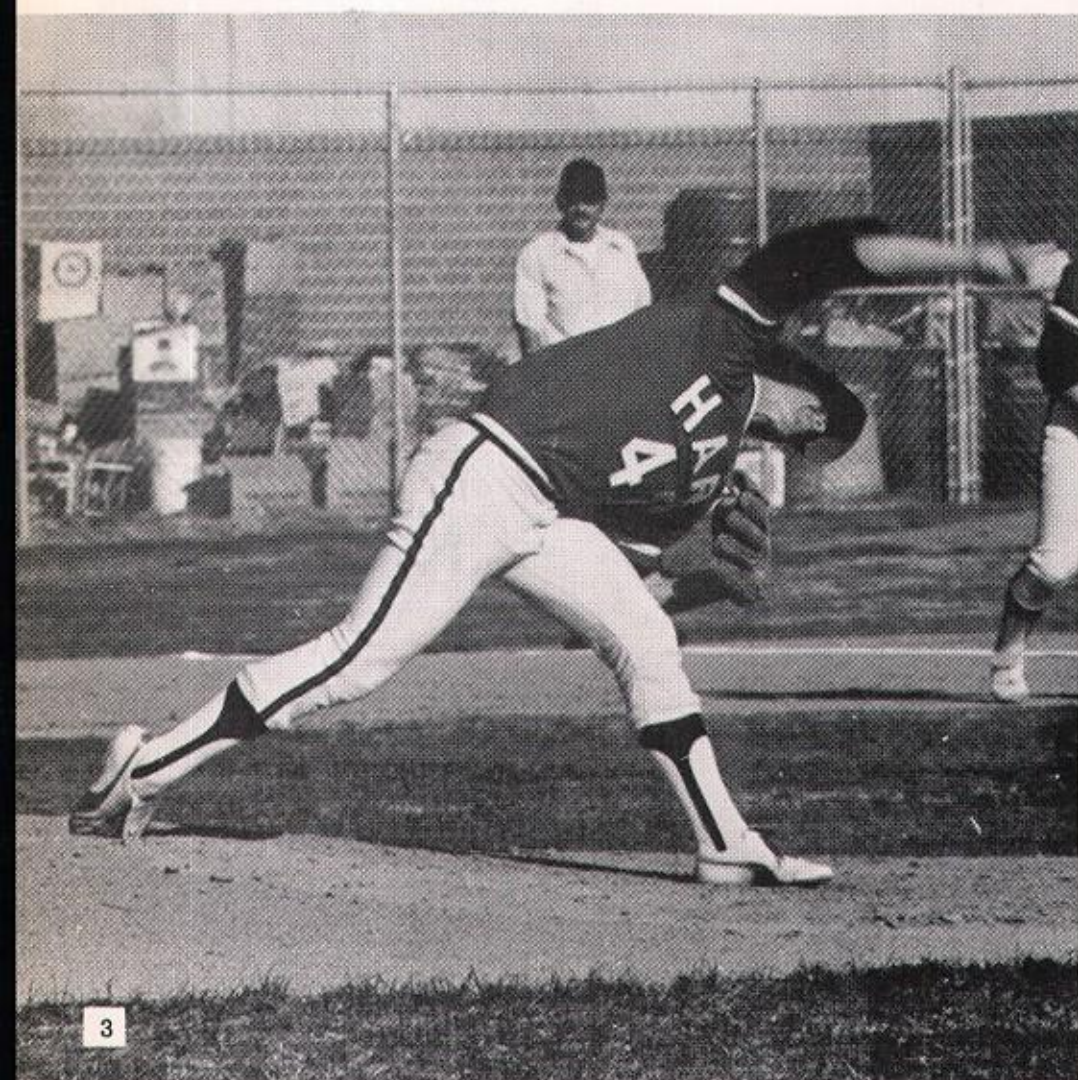

when the season had finally ended for the team, much baseball was played and played well. Coach Bud Murray worked the players to the near point of exhaustion. This work payed off. Four of the players went to the all-league teams. Tad

Vengar and Roc Murray were chosen to play third base and second base respectively on the first team of the all-league teams. Also, Jeff Green and Bob Foster were requested as a

left-fielder and catcher for the second team. Outstanding statistics for the season contained such things as Tad Vengar's batting average of .409. Aiding to this batting average were many home runs and triples. The players enjoyed both Coach

Murrays — the coach and the person. The team as a whole performed well throughout the season. They proved to many teams that Hart stands separated in their baseball talents.

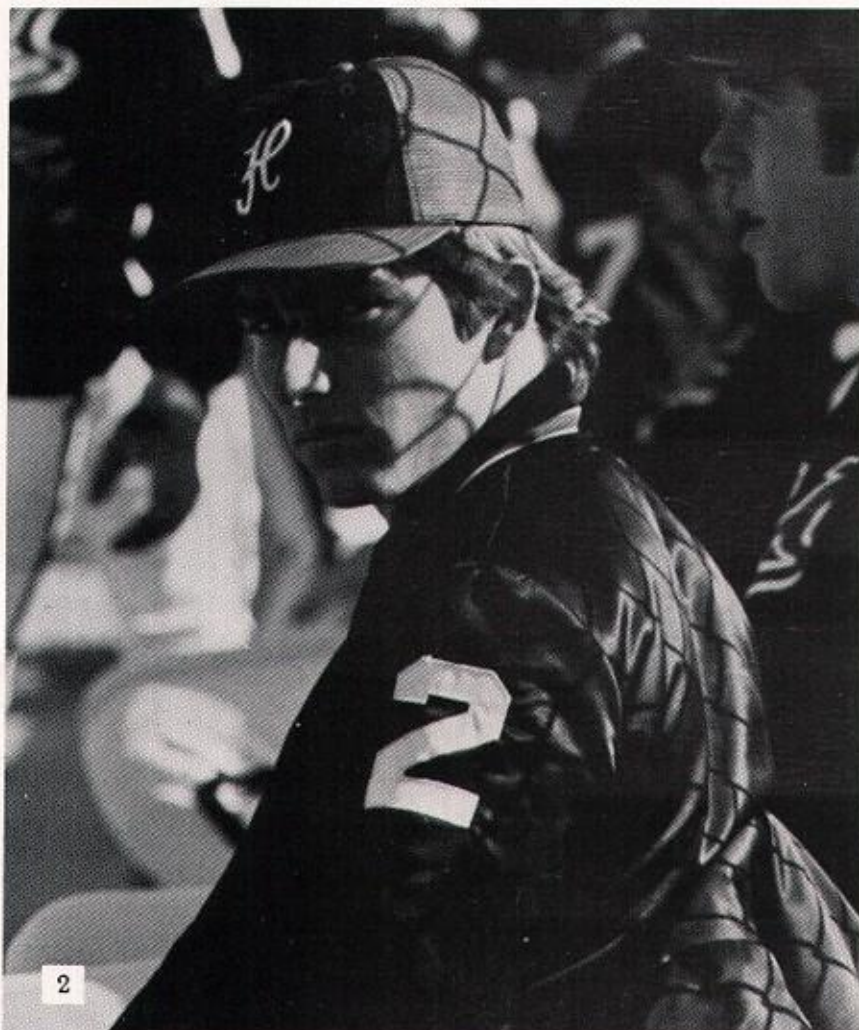

Catching a lot of dirt as well as grounders and fly balls, the team gave their best for Coach Murray, themselves and the school.

"Baseball, hotdogs,

apple pie and Chevrolet" all very American and in the American winning spirit. Our J.V. team had this winning spirit, yet their spirit wasn't enough to pull them through to a championship season. Accompanying their spirit was hard work, sweat, and determination. Coach Frank Sanchez worked the team everyday until the very last game. Unfortunately, not very American was the fact that the team came out a little behind this season with a 5 win and 20 loss record. Awards were given and they were as follows: Most Improved went to Mike Randall, Most Inspirational was received by Red Smith and the captain was Jeff Bugbee.

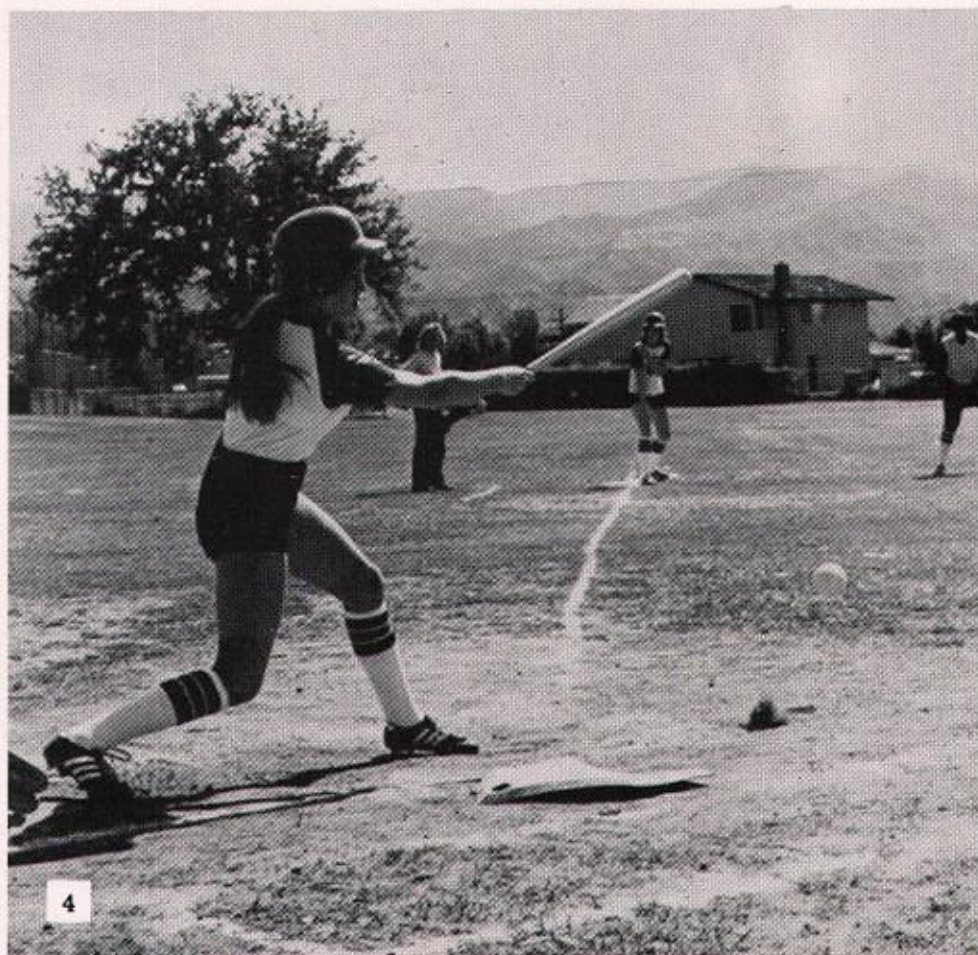

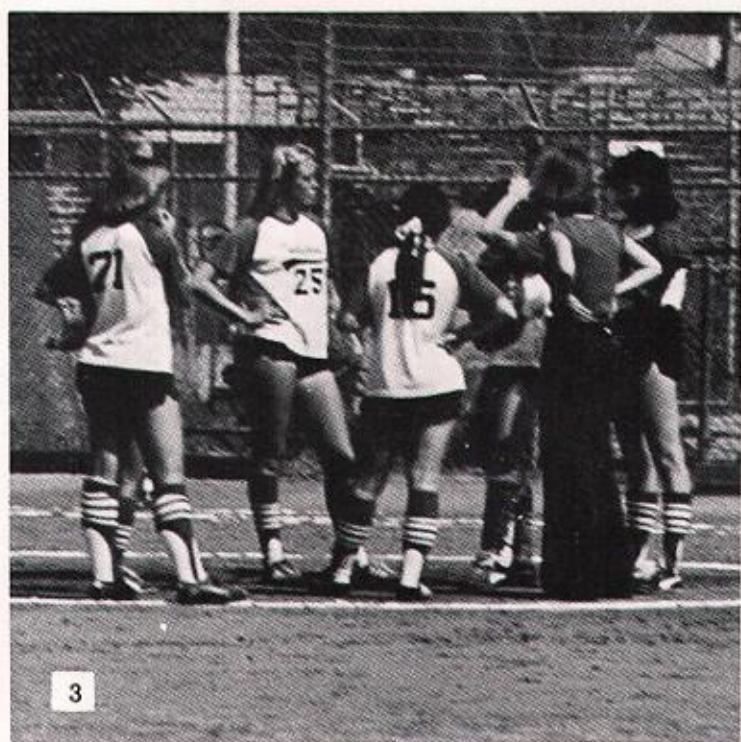

1. Duane Salazar eyes a tag throw on third base from Randy Guillory on second. 2. Dave Beswick releases the bat as he swings for the fences. 3. Scott Farhager awaits a pick-off from the pitcher. 4. Bob Jess adds emotion to his humming fastball.

Swingin' Singles,

daring doubles, and terrific triples were just a few demonstrations of the girls' capabilities to play such a demanding sport. The Varsity had a good season despite the total score,

7 losses and 6 wins. The Most Valuable player chosen for Varsity was Liz Bailey, Most Inspirational was Kodee Murray and Most Improved was Jody Wine. The J.V.'s Most Valuable player was Darlene Runyan. Picked for Most Inspirational was

Linda Cole and Kathy Mallory was chosen the Most Improved. The highlight of the whole season was at an away Burbank game and a couple of Varsity players spotted a flasher.

Three records

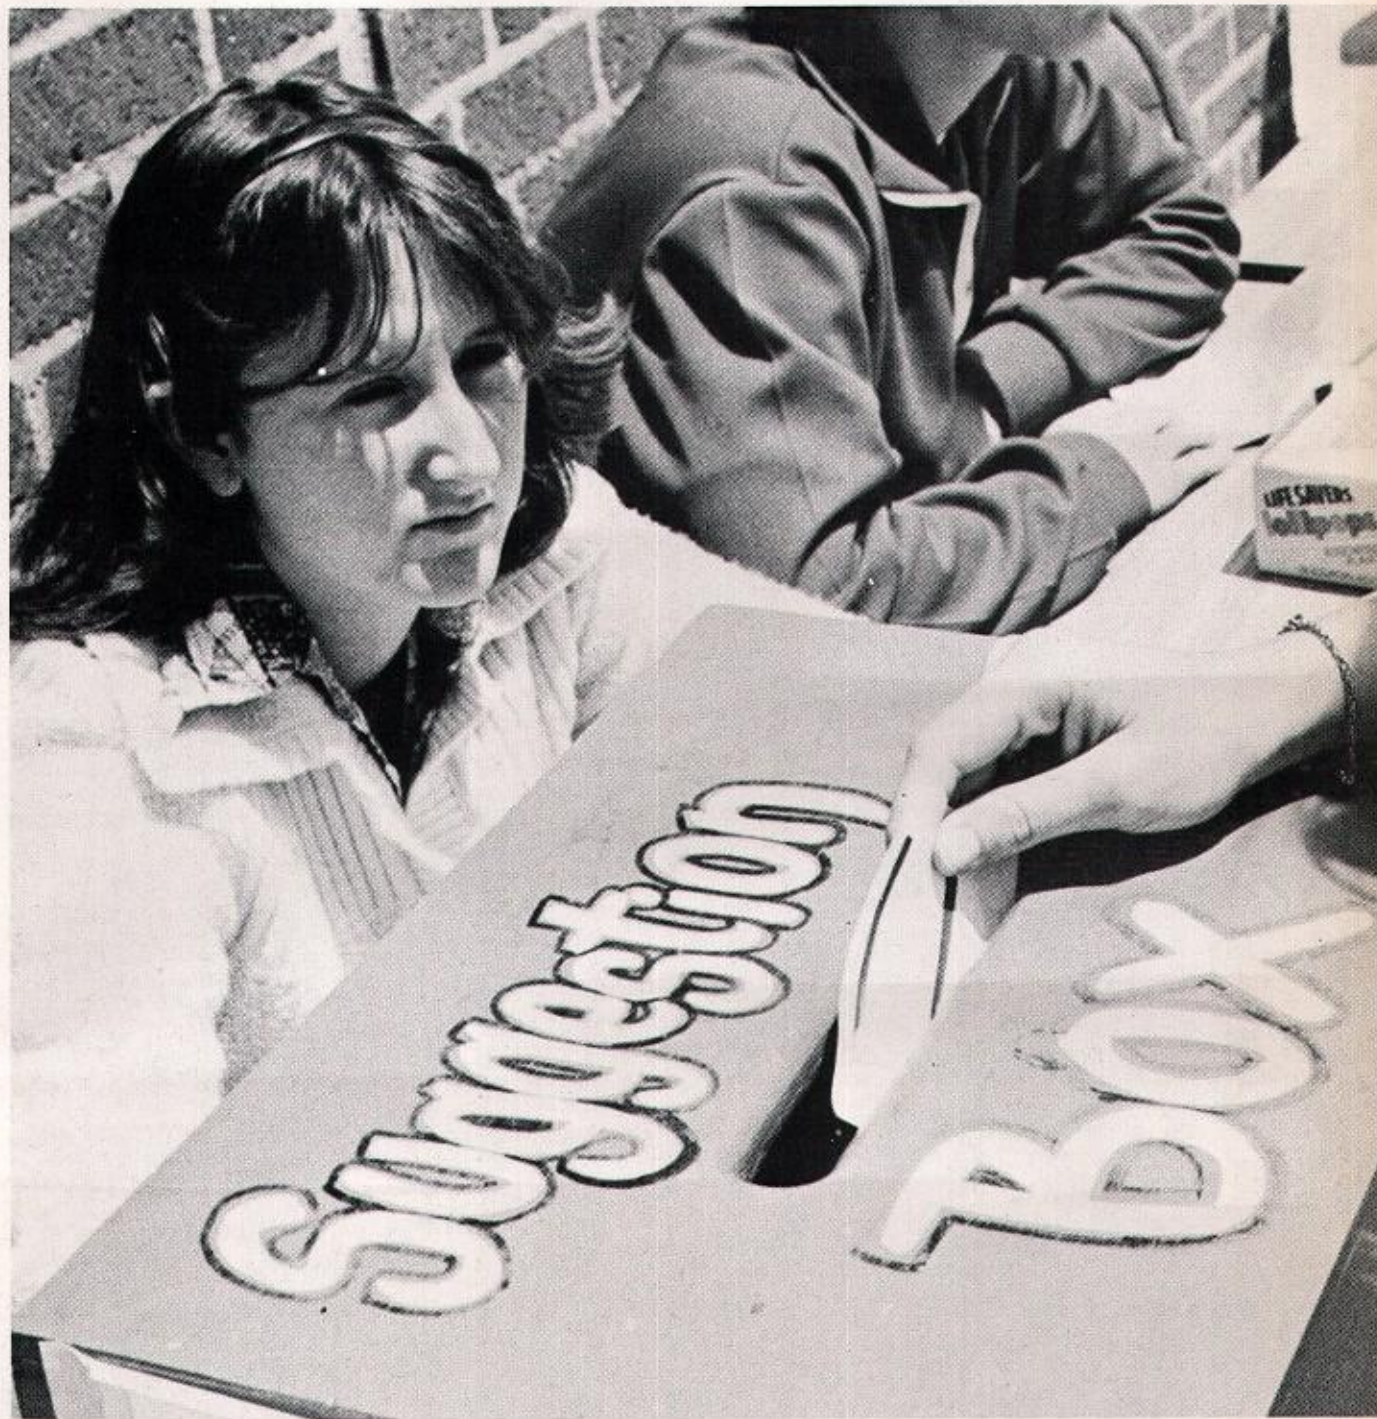

shattered and one CIF qualifier awaited the Track team, despite a slow start, and three rain-cancelled meets. In fact, the team won its first Foothill League in two years, and first ever for Head Coach Dave Klinger. The mile relay team destroyed the school record enroute to winning the League crown, running 3:23.4. Other record breakers include Kelly Miller who took the 120 yard high hurdle mark at 15.6, and Ron Bahara, who ran in the CIF finals in the mile run, decimated the mile record, crossing the line at 4:20. A close 60-67 loss to Canyon ended a 2-7 season.

1. Jane Fuller, Coach Love, and Audrey Goddard await the arrival of runners, as the starter signals one more lap. 2. Tony Capitelli and Glenn Haller enroute to another of their 1-2 finishes against Glendale. 3. Kelly Miller, Mr. Smiles himself, clears another hurdle via his way to a win against Canyon. 4. Two members of the Foothill League mile relay champions, Brad Fox and Wayne Frost, exchange the baton. 5. Jerry Mienhart, Brad Fox, and Frank O'Farrell, sweep the 220 against Canyon.

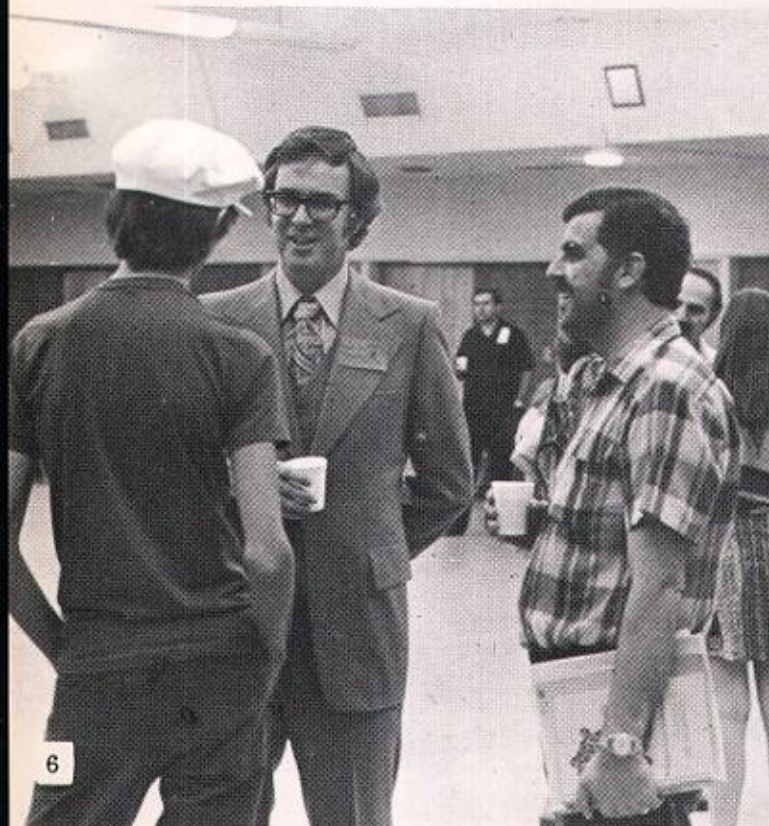

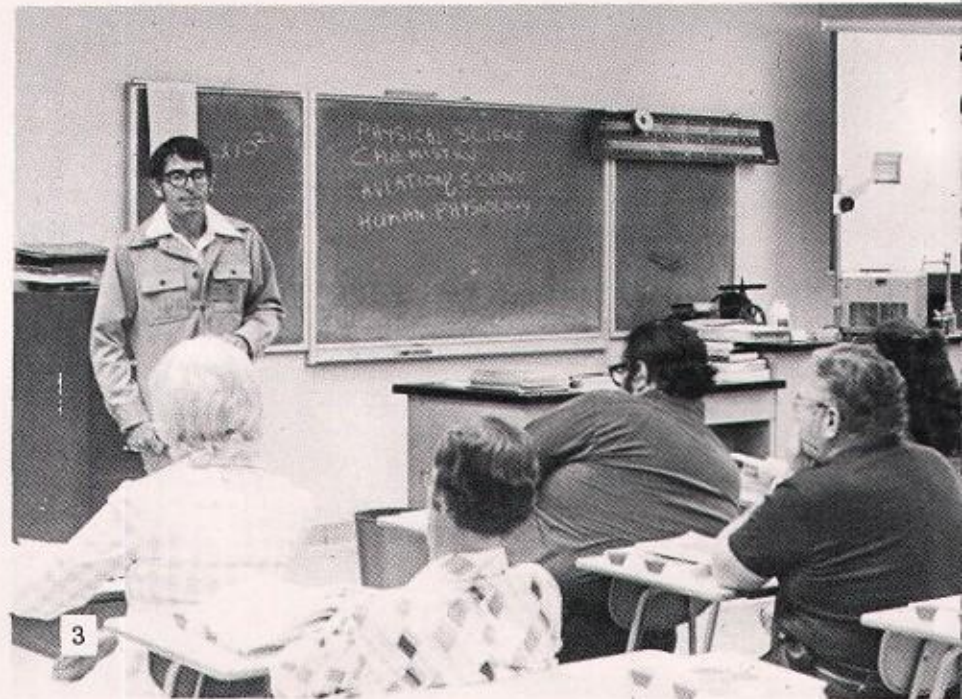

The Participation

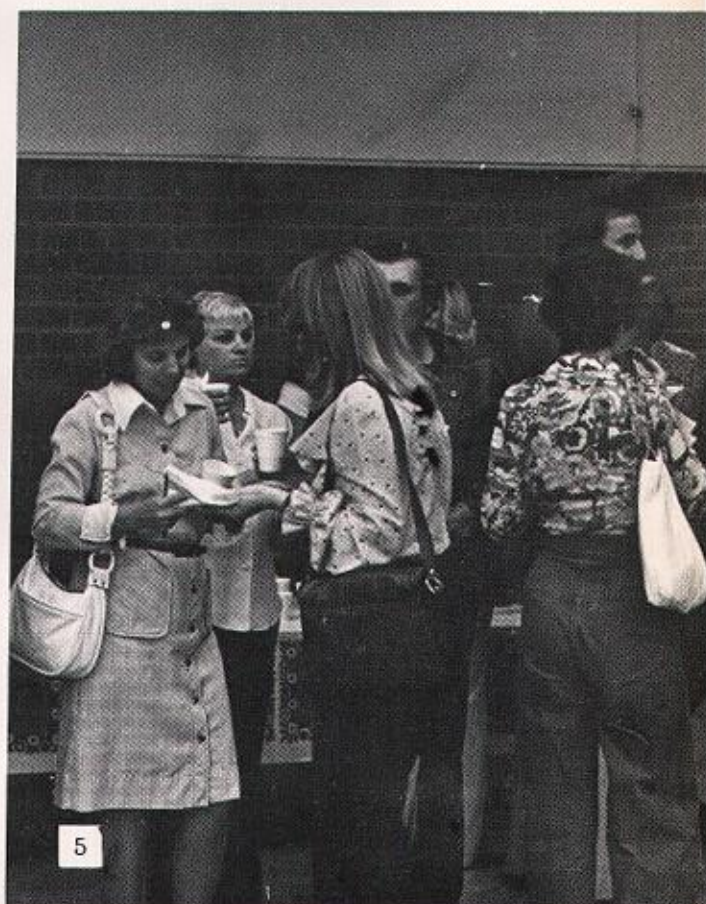

Parents Attended School

for a taste of an average day in the life of a Hart student. Back-to-School-Night greeted the parents with a rendition by the band and a class schedule. Mr. Hanigan gave everyone the scoop on all the activities going on that night and a pardon for any tardies. The parents were off to class at the sound of the first bell and teachers discussed the purpose of their course. After classes, refreshments were provided in the cafeteria for everyone, ending the evening.

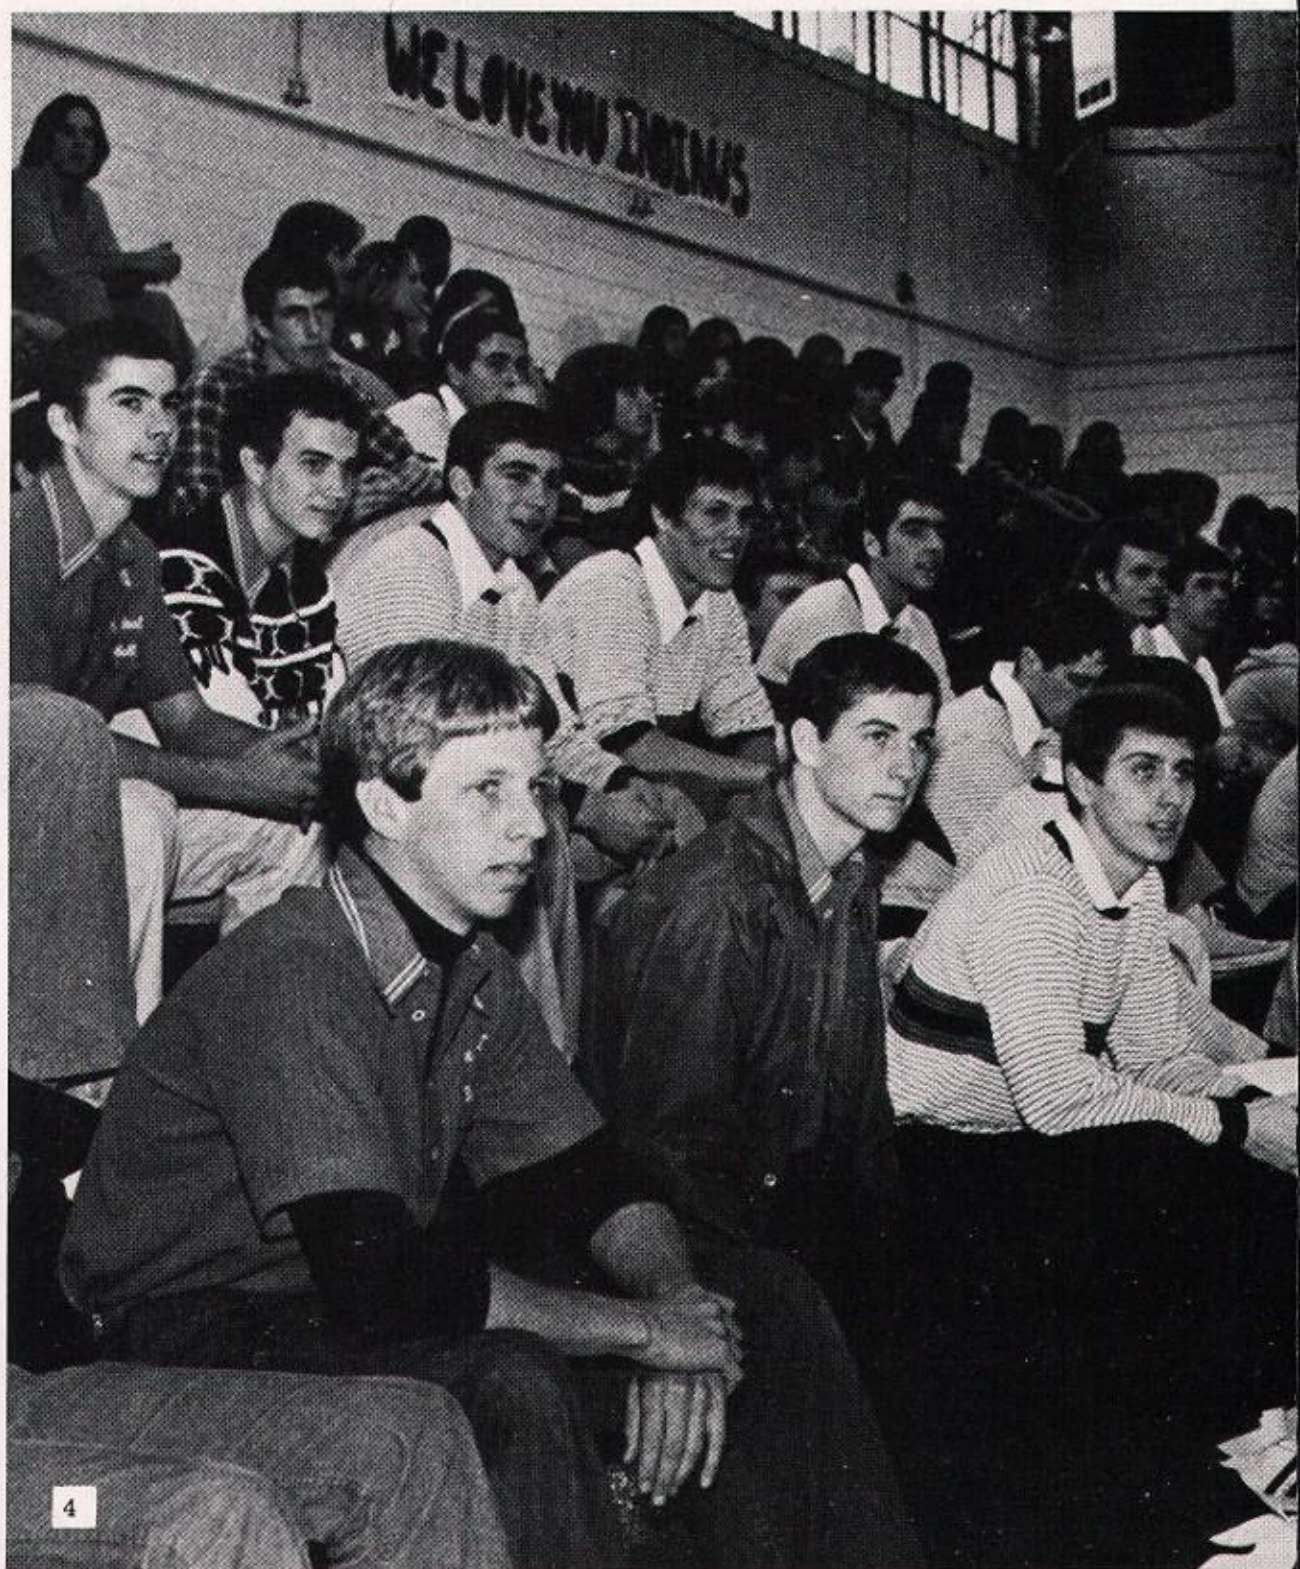

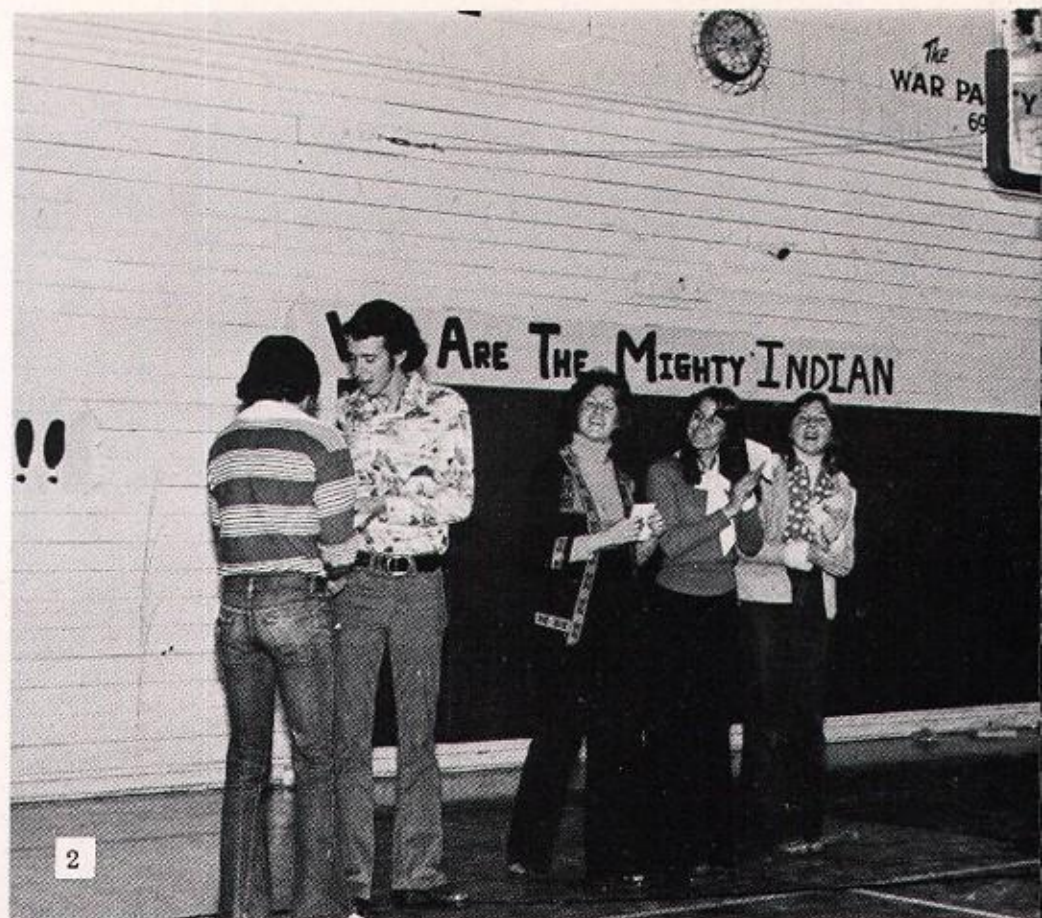

1. Parents receive their schedule at the office. 2. Mr. Grande explains the procedures of his typing class. 3. Mr. Ford answers questions about his chemistry class. 4. A closer look satisfies a parent's curiosity. 5. Parents, teachers, and students end the night with refreshments. 6. Ms. Thomas contemplates the amusement of the parents. 7. Mr. Hanigan talks with parents and students.

Enthusiasm,

ICC Competition, and spirit highlighted this year's rallies. In charge of the rallies this year were Peggy Dunn and Cindy Szymanski who both did an outstanding job. At each rally, during football season, each class tried their hardest to outdo each other in a spirit competition. Though the Juniors and Sophomores tried their best they just couldn't outdo the Senior class. Some of the most exciting performances were led by the drill team, small precision, flag, and twirling flag teams. The band, as always backed the spirit and led students into the gym for participation in the rally.

"MEMORIES" was chosen . . .

as the theme for this year's football homecoming when both past and present students alike gathered together for the annual homecoming game and festivities. Homecoming officially started with the rally, held this year on the football field. Resembling "Almost Any-

thing Goes" the rally included a water fight between the king and queen nominees that ended up with the referee, Donna Fox, getting soaked. The rally ended when the fire department turned the gridiron into what looked like a snowcovered field with their foam machine. Immediately, it was free-for-all time as several students decided to have a foam fight. However, just about the time the rally had been cleaned up, it was time to go to C.O.C., to see Hart beat Glendale in one of the best games of the season. As important as the game was though, the focus was clearly on halftime as hundreds of students, faculty, parents, and halftime groupies looked forward to the mid-game festivities. Hart's fantastic combined band, flag team, and drill team performed several musical field routines, ending up in a huge heart formation. However, as the time came for the court to arrive . . .

. . . *The heart broke in two.*

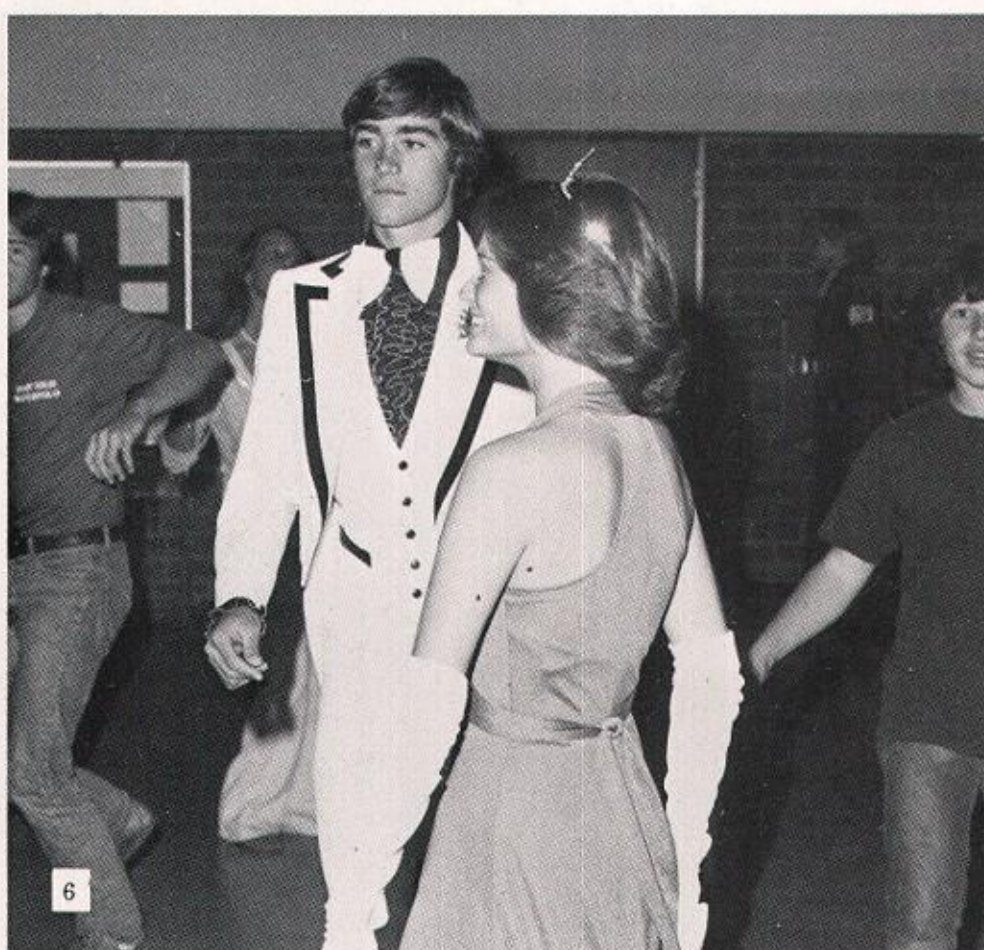

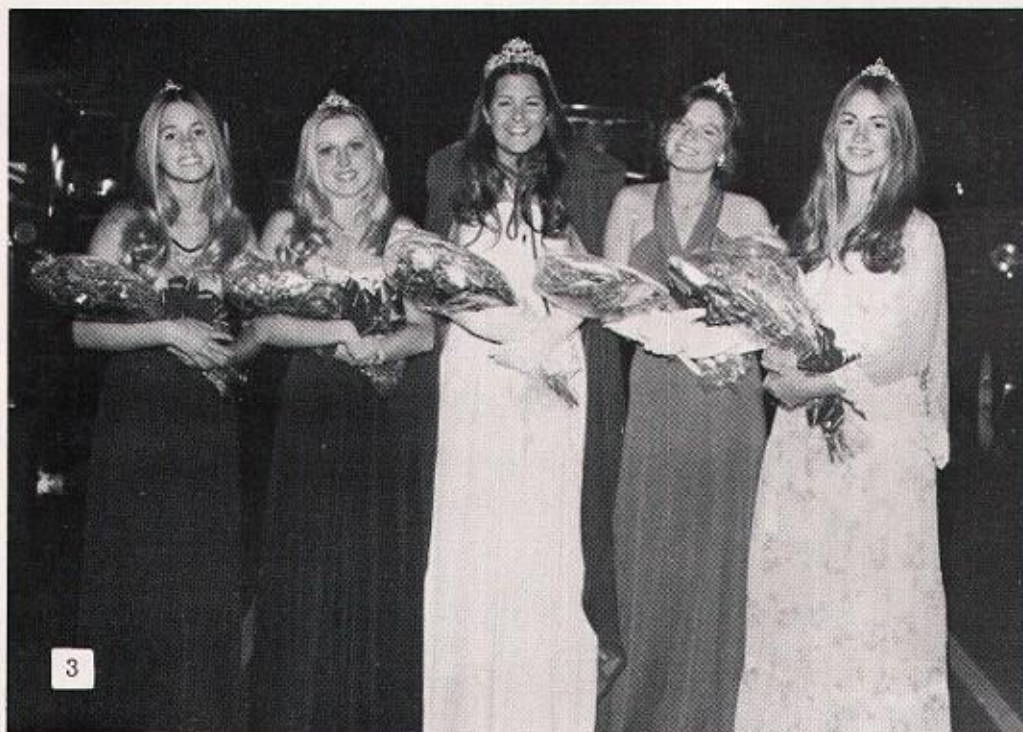

Finally, after talking with (and embarrassing) each of the ten king and queen candidates with stories from their childhood, Mr. Bob Henricks, the emcee for the evening, excitedly proclaimed Terry Krahling and Roc Murray as the '77 homecoming queen and king. The halftime festivities ended when the sophomores were judged as having the best "stunt." Their "stunt," (all three classes presented one) was three boxes, decorated with glitter and paint. The boxes were filled with balloons, which were released at the end of the half-time show. The football game was won by Hart with a score of 31-24. However, the festivities didn't end at C.O.C. After the game, the traditional homecoming dance was held in the school cafeteria with the band

"Premonition" providing music until midnight. When the dance was over, everyone left to spend the rest of the evening at their favorite spots ending a very successful homecoming '77.

Holiday sounds

filled the air as the Hart fine arts department presented their annual Christmas and Winter concerts. At the Christmas presentation, both traditional and modern carols were performed by the concert band and choral groups. The concert closed with an audience sing-along of Christmas carols. The Winter concert featured the polished performances of the Wind Ensemble, Concert Choir, Advanced Girls' Chorus, Sound Vibrations, Braves Stage Band, and the Chieftains.

"Nights Are Forever"

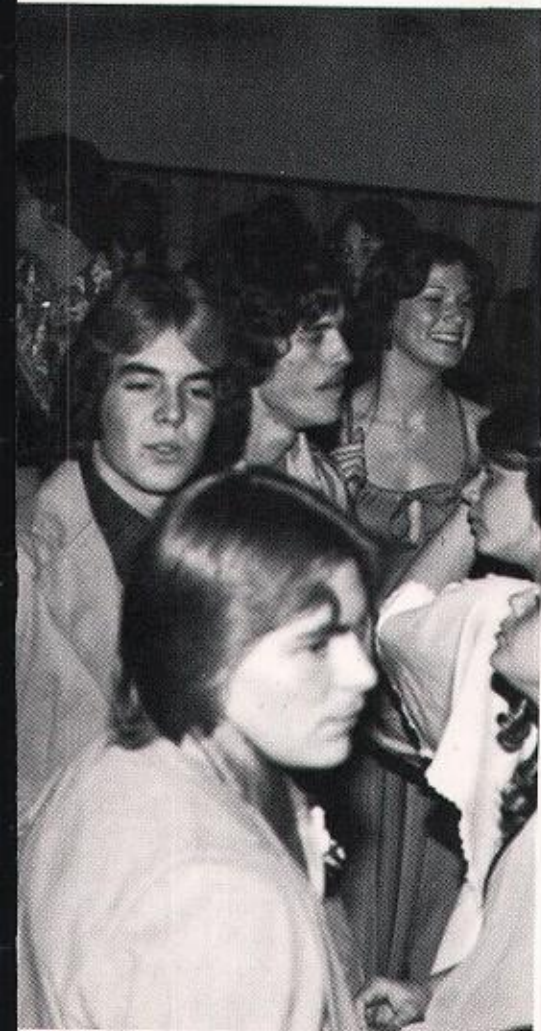

was the theme for this year's Winter Formal held on January 8. The formal was held at the Courtney Club in Canyon Country. The evening was highlighted when Jeff Green and Karen Webb were crowned King and Queen. Others in the court were Colleen Morse, Joanne Banks, Allison Walker, and Tammy Shields. Their escorts were Tad Venger, Mike Lomont, (standing in for Steve Borden) Dave Kent, and Randy Clark. All in all it was a fantastic evening and that night will be remembered forever.

A taste of night life

was experienced by the Newhall community when TBA (to be announced) was presented by the Chieftains and the Sound Vibrations. The Chieftains opened the show with several hot charts, including Chick Corea's "Spain" and "Time Check" featuring the saxes. The Hart Jazzers then turned the spotlight over to the Sound Vibrations, who entertained the audience with such favorites as "Sunshine of My Life," a nostalgic 50's medly, and from "The Wiz," "Ease on Down the Road." In addition to a great ensemble performance, the Sound Vibrations featured many soloists, who performed with a professional flair. To close the show, the Chieftains took the spotlight once again, rendering several great arrangements, and for a rip-roarin' closer, "Reflections."

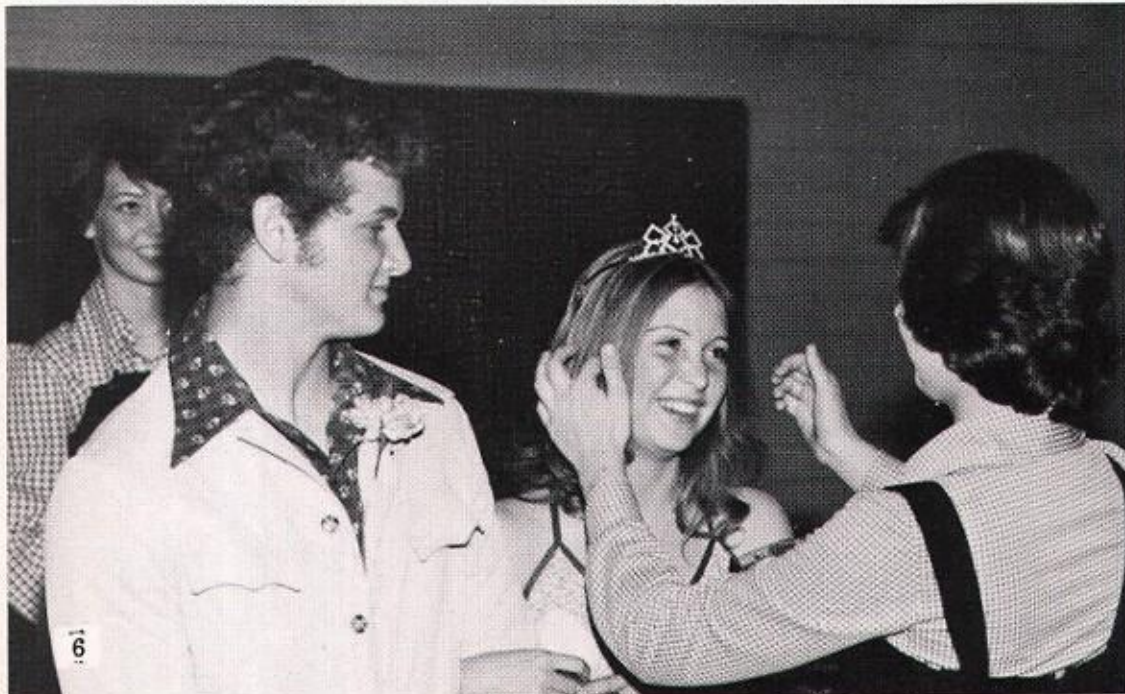

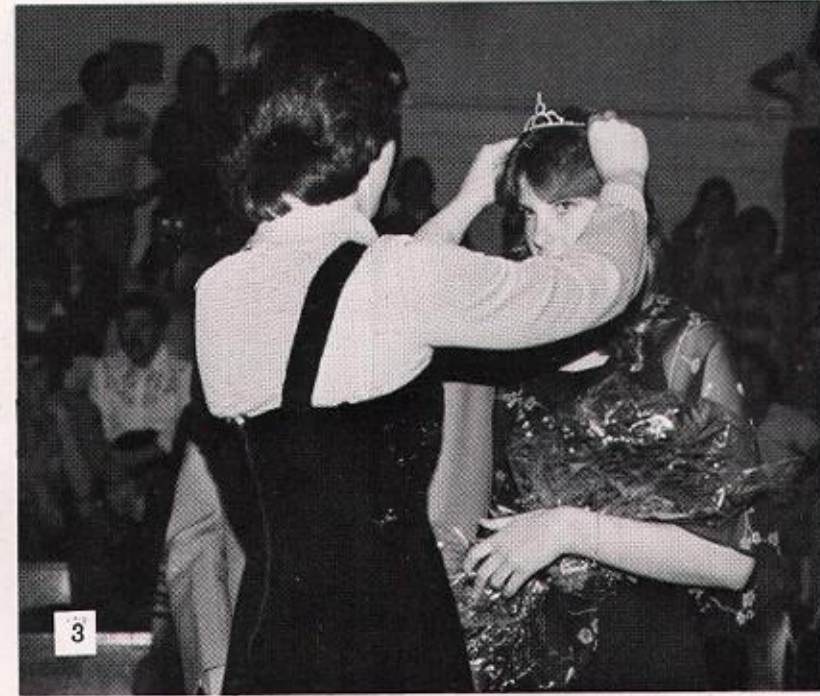

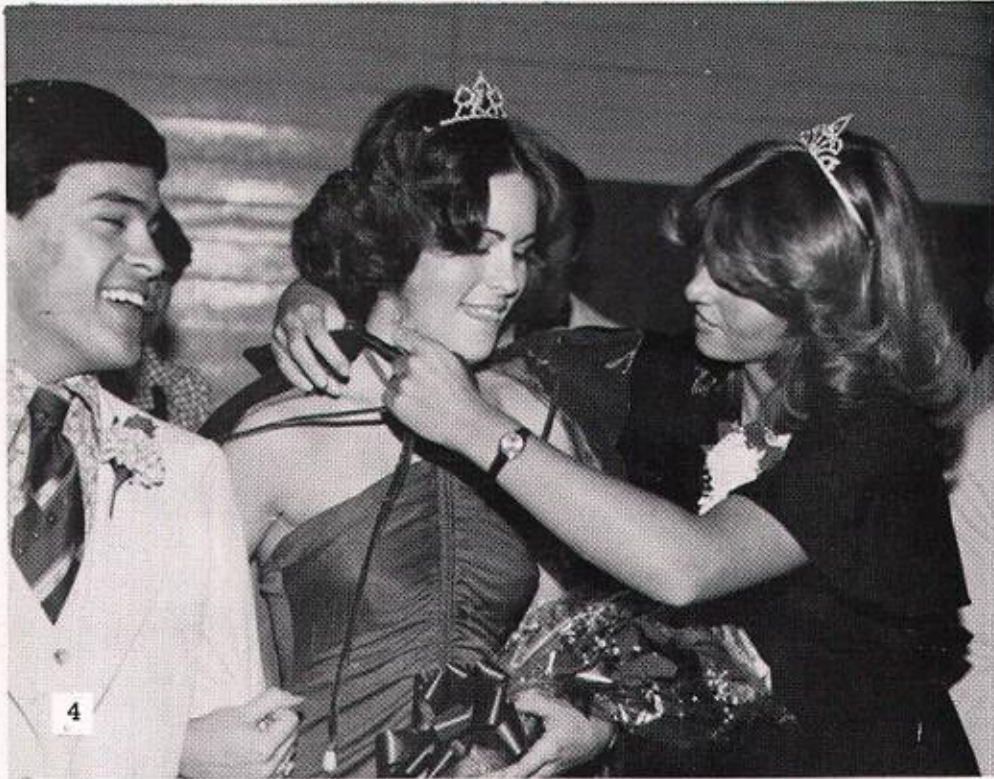

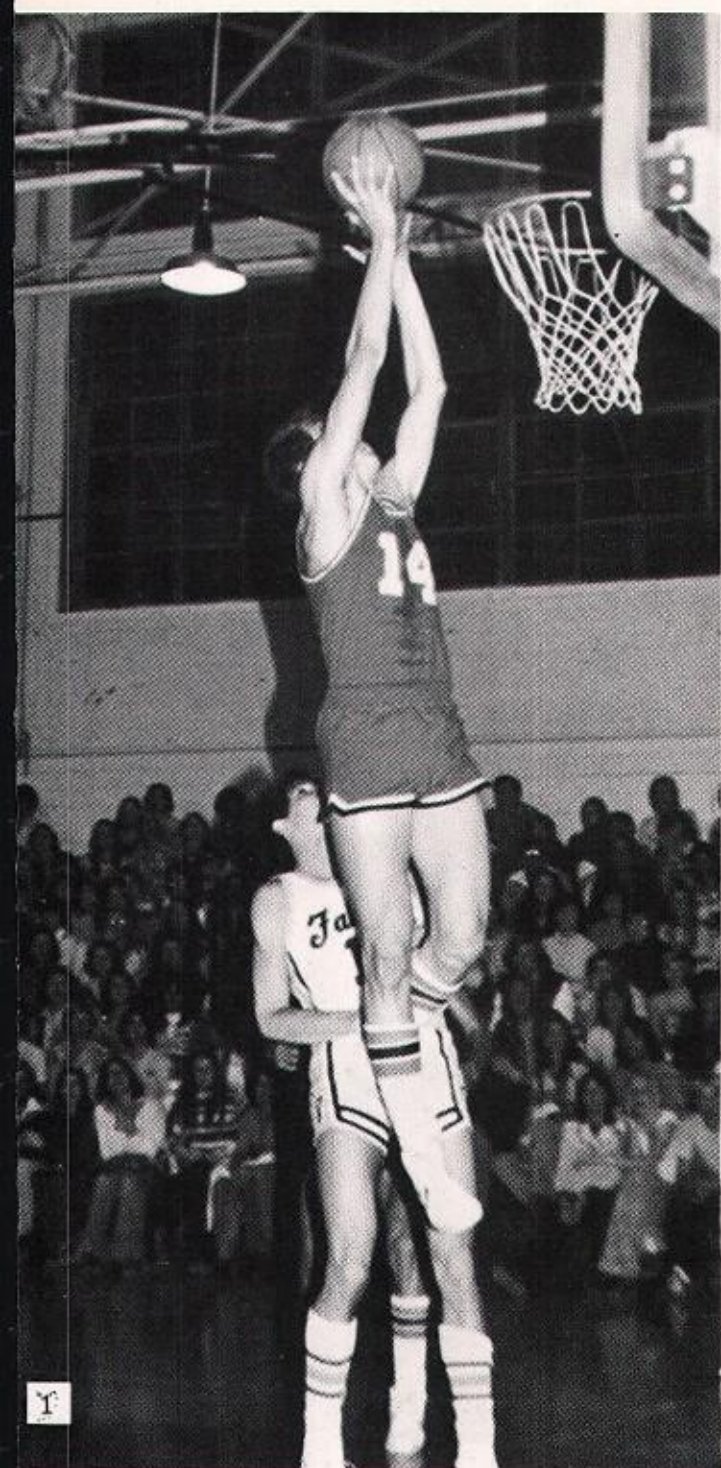

1. Supersax, alias Bill Montjar, gets into his jazz. 2. Lori Tanner concentrates on the vibes during "Dark Orchid." 3. The Sound Vibrations combine exciting sounds with spectacular dance steps. 4. Hoop-De-La

was a smashing success. Held on Feb. 4, 1977 the game was highlighted when last year's queen, Karee Wada, crowned Kathy Deason as the 1977 Hoop-De-La queen. Mike Santana was king. The Junior prince and princess were Dan Hetzel and Ann Wrage. And the Sophomore prince and princess were Vince Hans and Julie Caudle. Hart High's tall flags provided an aisle for the royal court to walk through while the band played a Roger Miller melody. The Hoop-De-La game was just as great with exceptional plays by Rob Wrage, Dan Thompson and Steve Dixon. Strange Attire

and skillful straddling techniques were featured in Hart High School's annual Donkey Basketball game. Selected members of the student body played an action-packed game against the faculty despite the frequent unwillingness of the donkeys. Due to the constant bucking, kicking, bumping and falling, scoring during the first half seemed difficult. During the halftime break, a freethrow contest was held between Mr. Hanigan and Mrs. Cheek with Mrs. Cheek being victorious

making a total of 20 baskets out of 25 attempts. The game then resumed for a very exciting second half. Many points were scored and as the clock ticked the last few seconds away, the score was tied. A two minute overtime was played, making the final outcome a 30-30 tie. Obviously, the donkeys were the winners.

My Fair Lady

opened in Spring to receptive audiences. Based on the book PYGMALIAN, the story follows the adventures of Prof. Henry Higgins (Bob Romans) and Col. Pickering (Rich Evans) in their effort to turn Eliza Doolittle (Stephanie Swor), a common flower girl, into a lady. Their experiment led them to Ascot where Eliza upset the entire Ascot gentry. Several months later, the experiment succeeds when Eliza is passed off as a Hungarian princess at an Embassy Ball. After a series of romantic ups and downs, Eliza returns home to Henry. Because of a large cast size, no group picture could be taken. The cast included, Mrs. Eynsford-Hill, Hillary McElhaney; Freddy Eynsford-Hill, Dave Leathers; Alfred P. Doolittle, Mike Light; Mrs. Pearce, Lynda Lesser; Mrs. Hopkins, Katie Shannon; Mrs. Higgins, Cathy Kelly; Zoltan Karpathy. Champagne, dizzy doughnuts,

and other prizes were the highlight of the annual Hart-A-Fare. Held in April, the purpose for open house was to show off the new buildings and facilities at Hart. Participants were entertained by the Band and Flag Team who officially opened the event. Pictures of Snoopy were printed on a computer while the Chemistry class blew up their corner of the cafeteria. All were in good hands in case of any injuries, the Medical Service class just happened to have a display very close by. The Karate Club was not accustomed to the beating they took in the Gym. Tap Dancers clacked holes in the floor drowning out any possible commands from the instructor but gave a great performance inspite the chaos created for the other clubs. The raffle of nine prizes marked the end of another Hart-A-Fare and although there were no drunk doughnuts there were many happy people.

Stuffed Sophomores,

jumping Juniors, and speedy Seniors were the sights seen during Sprolic Week. Monday the VW stuffing contest was held. The Seniors got 14 members in, the Juniors got 16 and the small Sophomores out did both classes with 22 crammed in the VW rabbit. On Tuesday the dress up contest took place. The Seniors took first place when Peggy Dunn dressed up as a frog. Wednesday was Almost Anything Goes which consisted of a banana between the knees race, bouncing a tennis ball on a racket without dropping it and eating a cracker with peanut butter and a pickle on it. The Juniors defeated the Sophomores and Seniors. The Gong show ended the week with skits by all 3 classes, Spirit Squad, and friends. Nobody was exactly gonged, but the Juniors won. The Juniors were presented with a trophy from Spirit Squad proving the class of 78 truly does have Spirit.

The awe-inspired audience then left to the beautiful strains of Jimmy Webb's "McArthur Park."

From dusk till dawn

the dancing hours dwindled away at the Riveria Club for the 1977 prom goers. The rock group "Windfall" set the tempo for the evening playing everyone's favorites on request. Finally the appropriate time came for crowning the King and Queen and the excitement grew until it was announced that Steve Borden and Barbara Dillow would reign as King and Queen of the Prom. GRAD
NIGHT

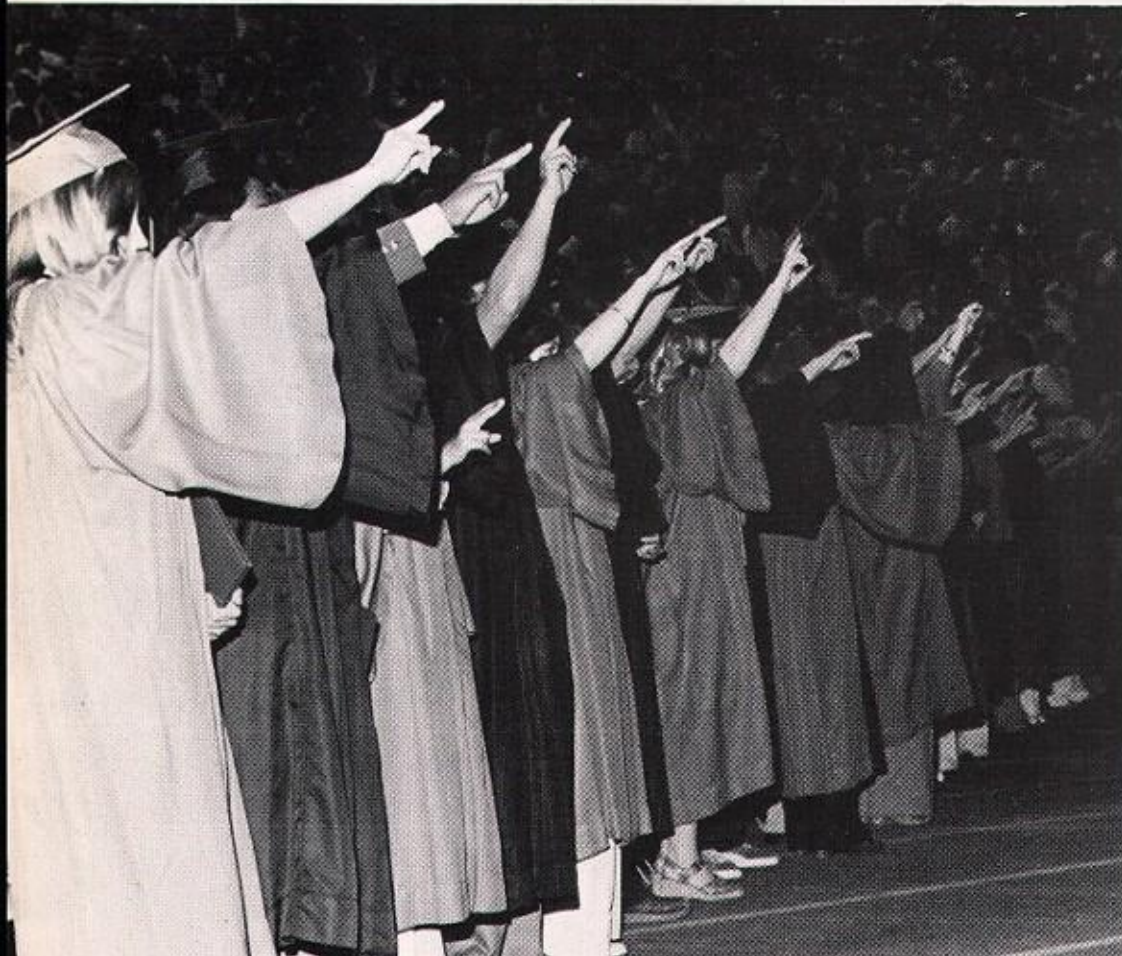

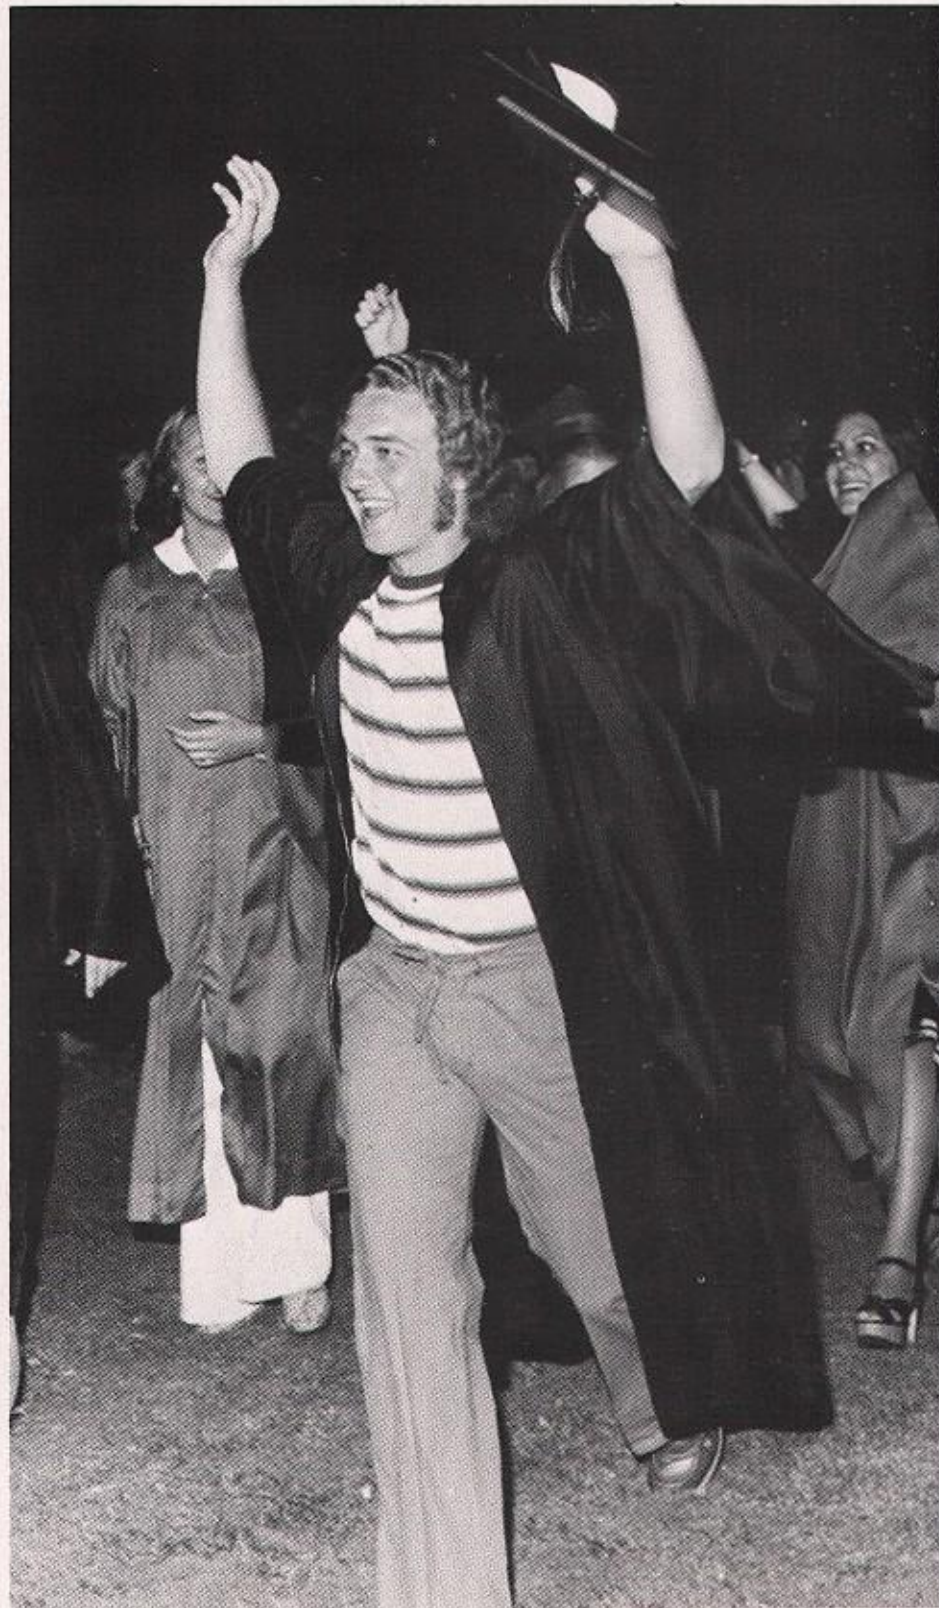

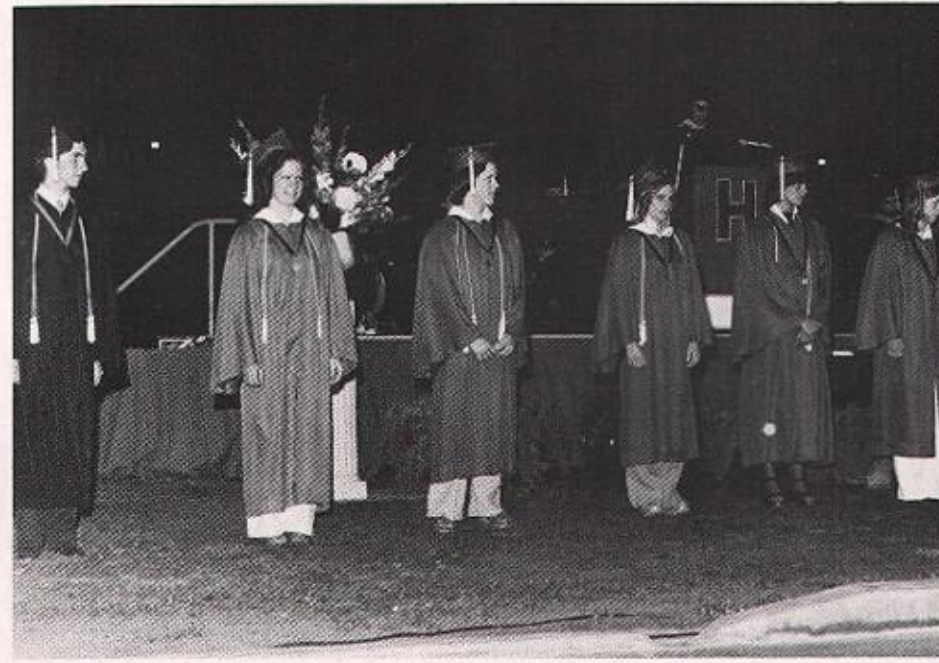

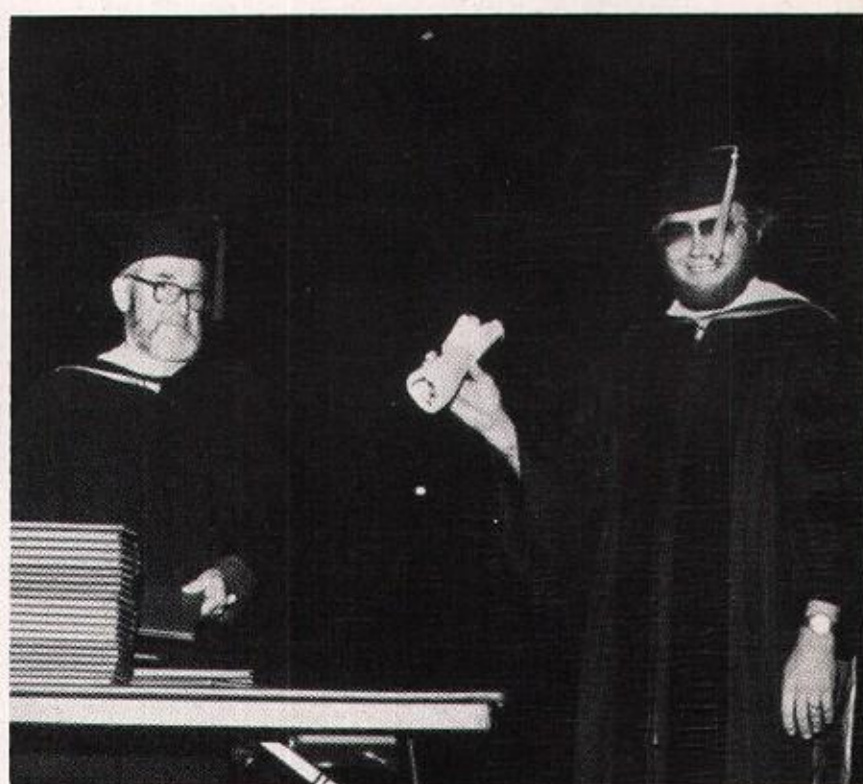

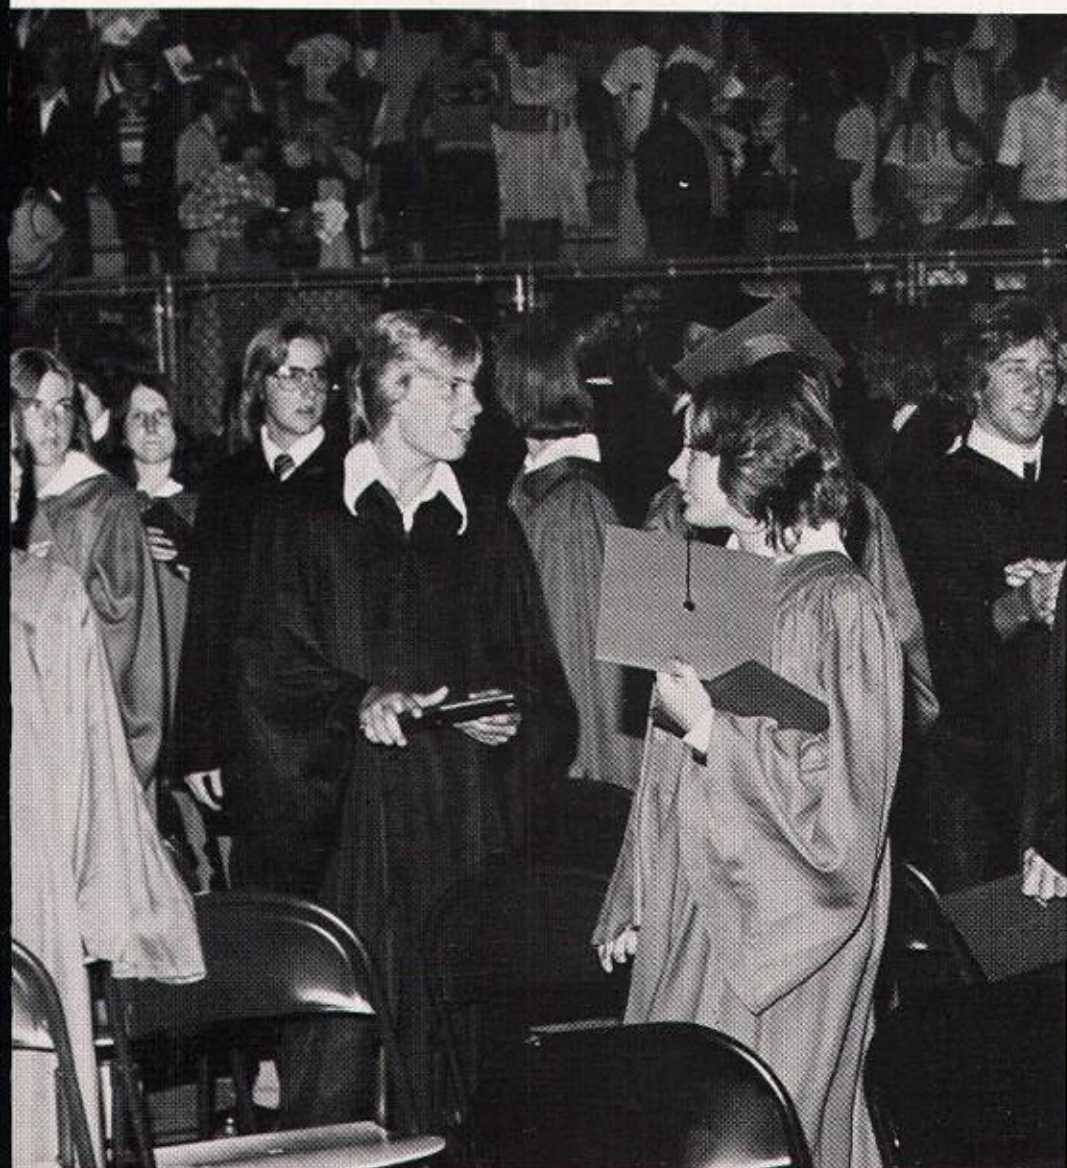

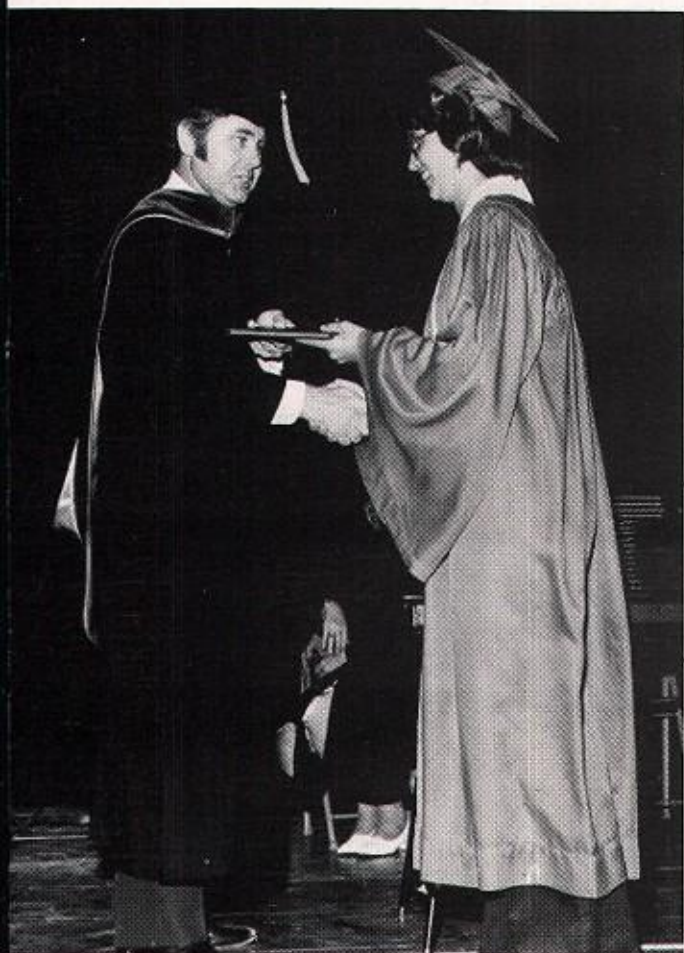

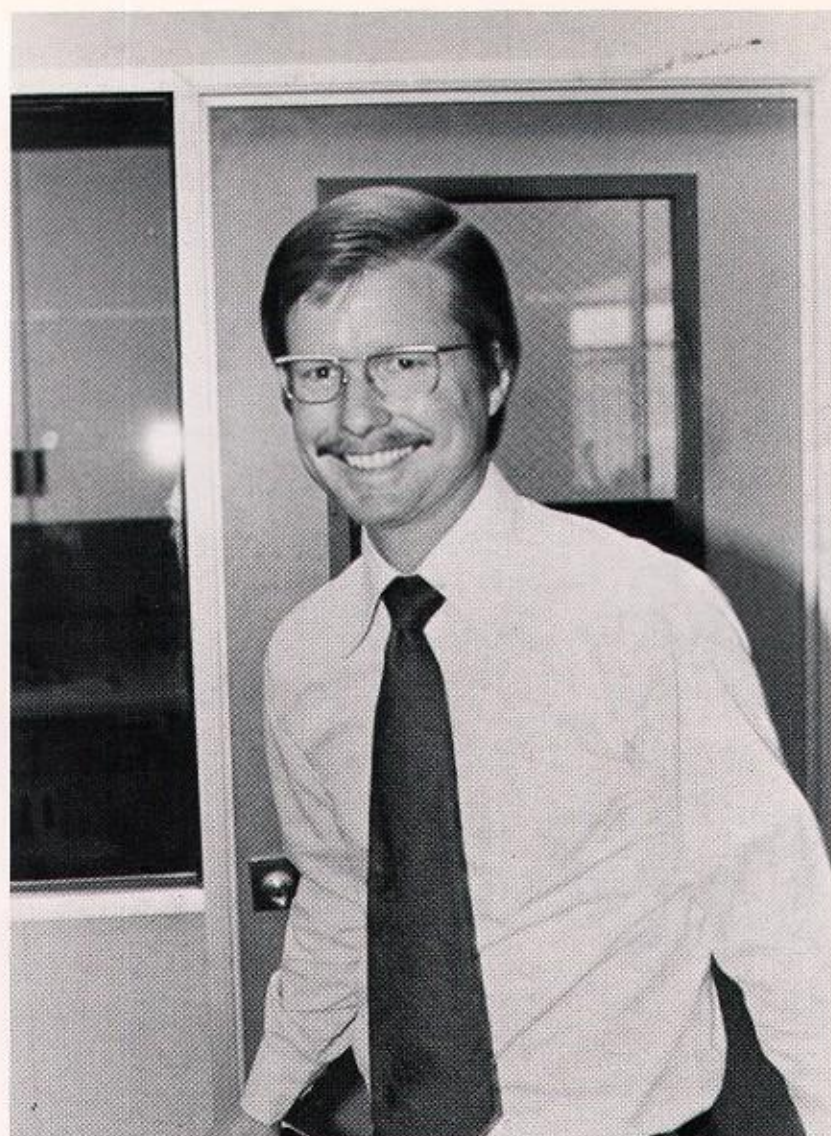

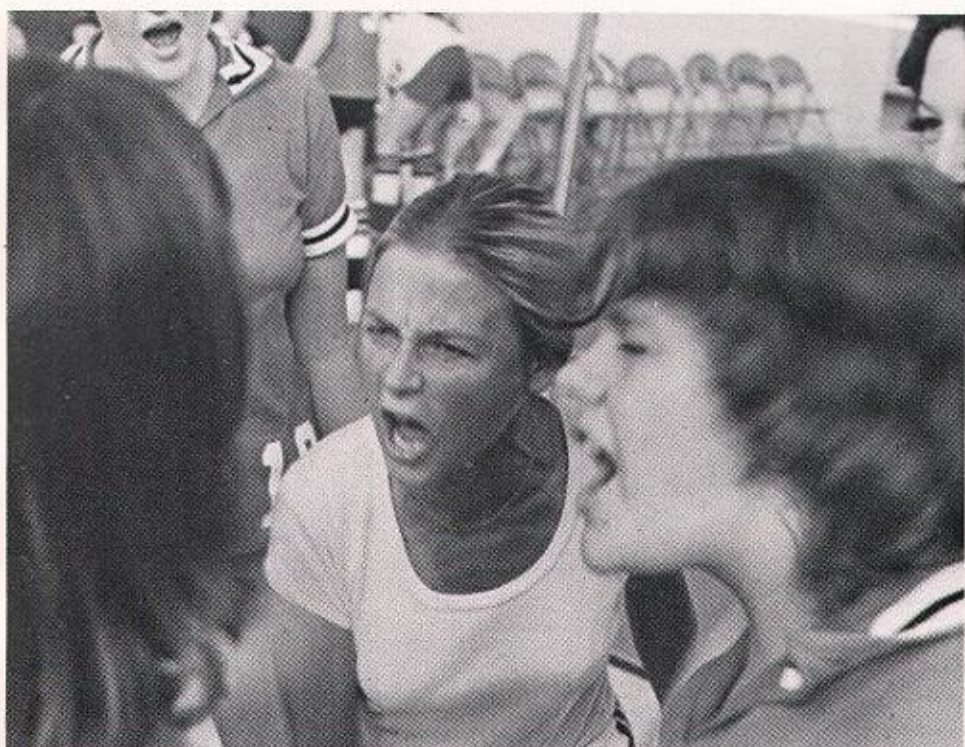

No longer Hart students

the graduating class of '77 received their diplomas on June 17. Although this was the largest class in the history of Hart High, the ceremony went swiftly. Speeches were delivered by Jenny Davis and Dave Leathers. A bit of levity was added when Gerard McMahan held out his arms in jubilation and John Franklin gave Dr. Shaugnessy an "extra hand" after receiving their diplomas. Immediately after Commencement busses awaited the seniors to take them to Disneyland for Grad Nite.

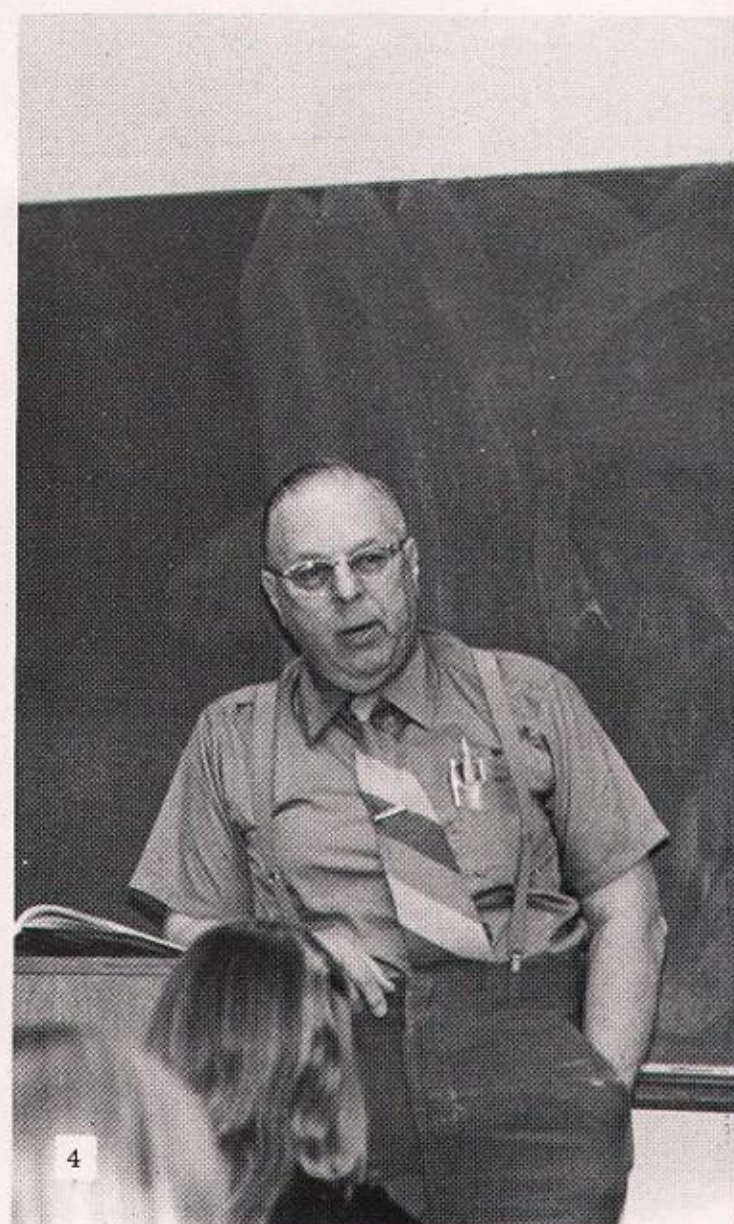

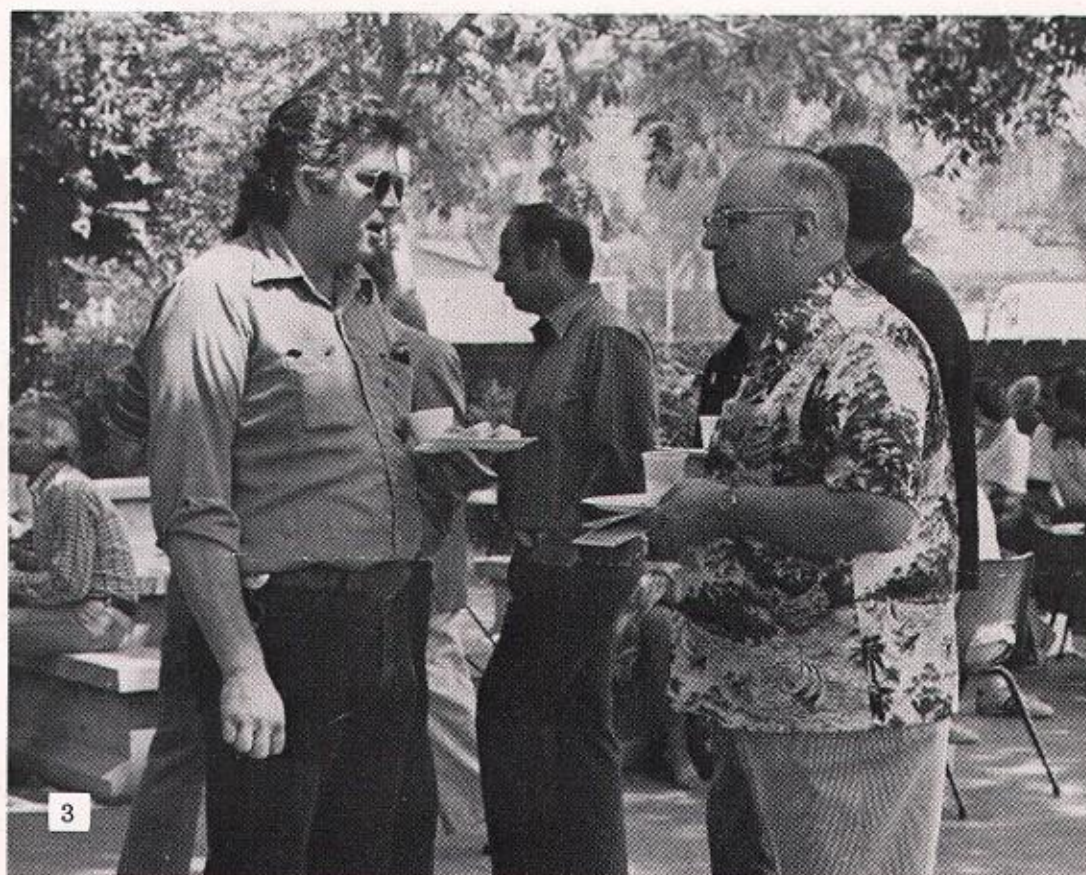

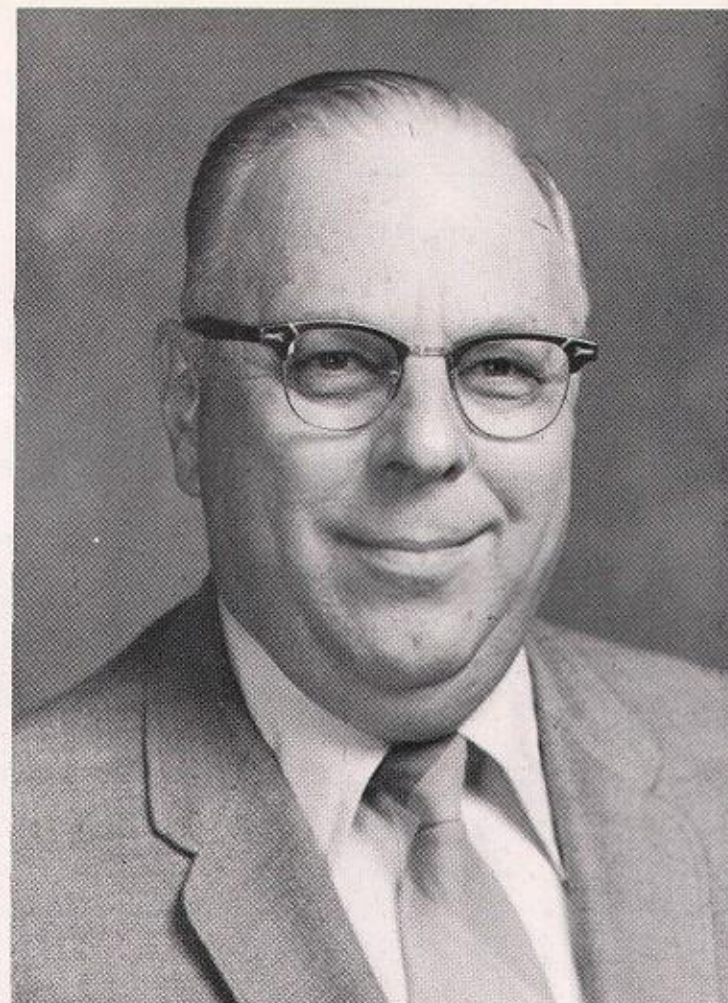

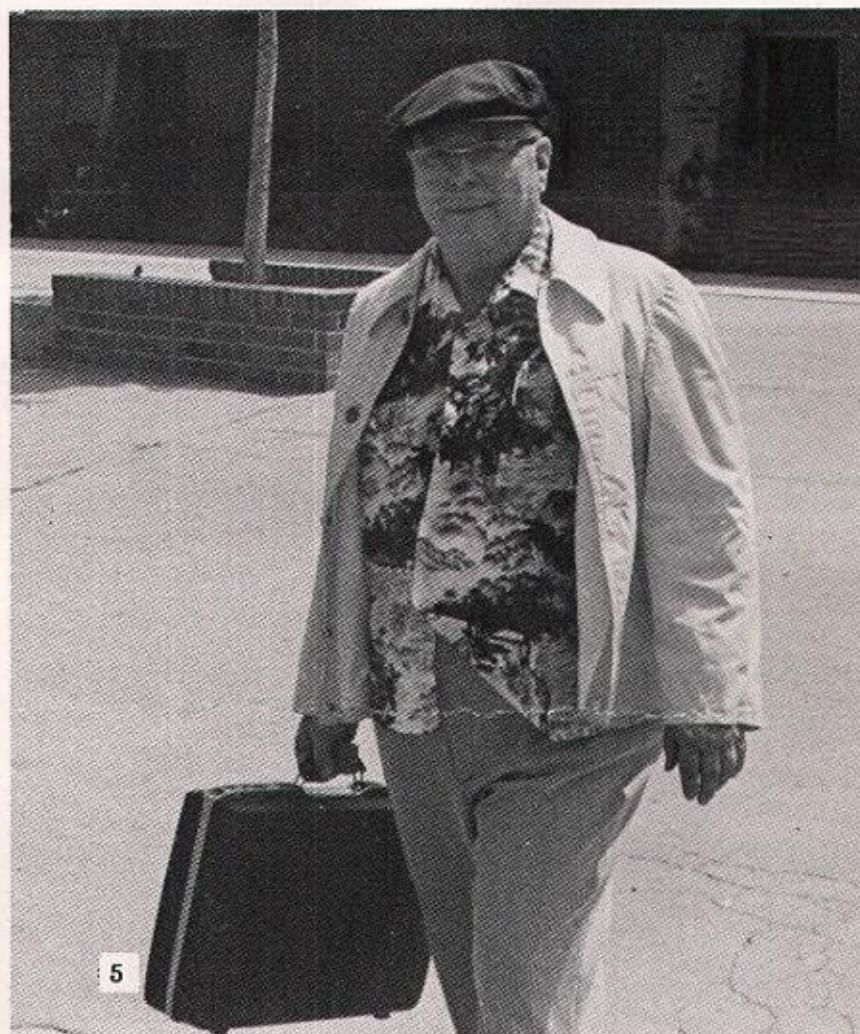

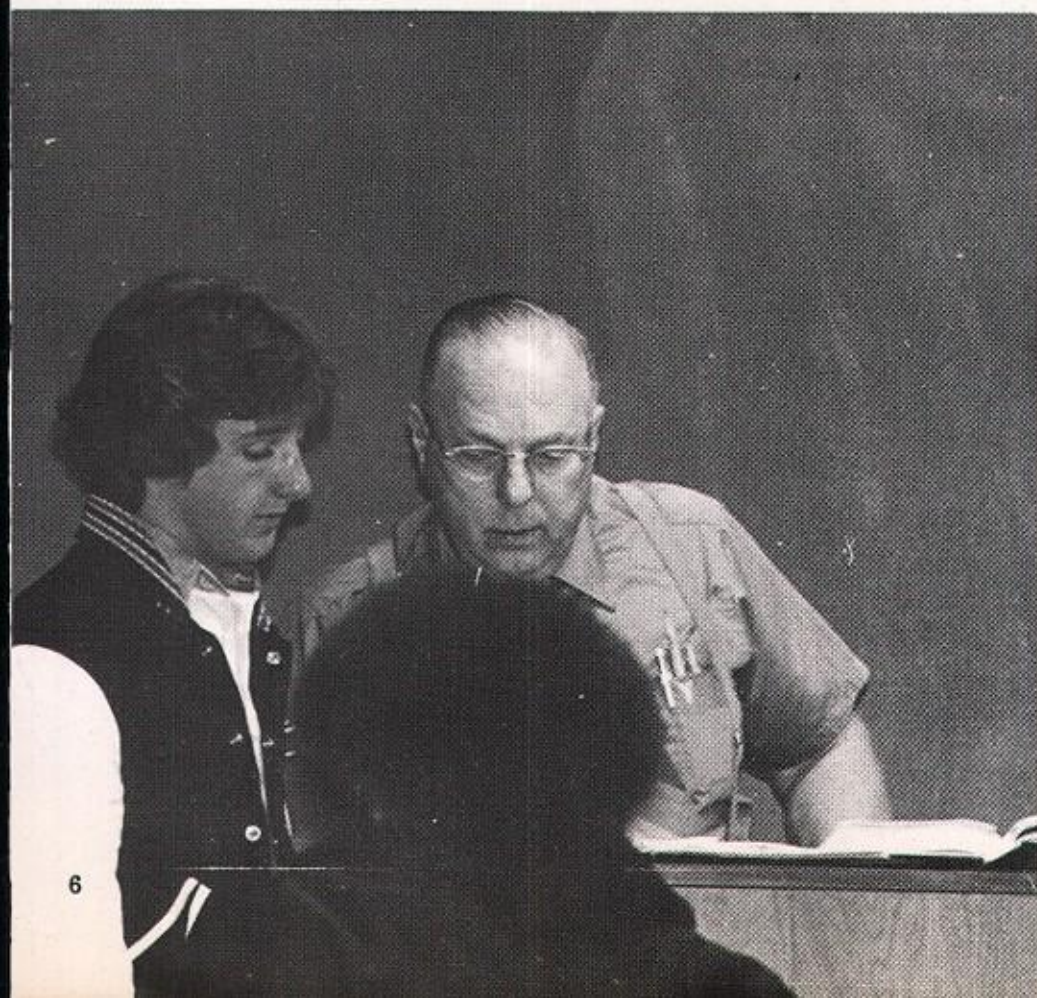

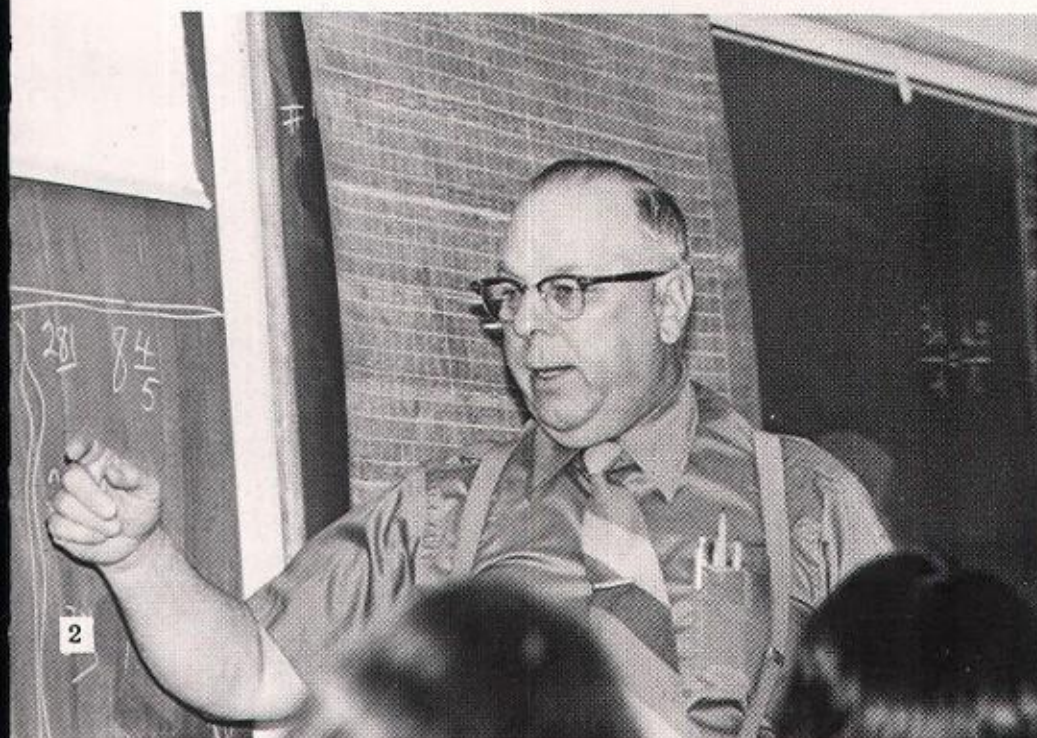

THE EDUCATORS

A.I. Ruby

has been a teacher at Hart since 1955. He was born in Memphis, Tennessee and raised in Iowa and he began college at Simpson College in Indianola, Iowa majoring in music and math. He spent brief visits at Drake University. After teaching three years in Iowa he began a term of sixteen years working with the postal service. Taking a leave of absence he served twenty months in the U.S. Navy during WWII in the electronic field. He began his career in 1955 as a math major at Hart. Supported by his wife who works with the physically handicapped at Pleasant View Center. She has twice been elected as Woman of the Year by two Civic organizations. Mr. and Mrs. Ruby have been married forty-six years, raised two children, one deceased, and now have three beautiful grandchildren. His main goals towards students is to help them gain maturity and a helpful knowledge of mathematics. His students seem to feel a real openness and easiness around him. They are able to seek help and he is always more than willing to help them. To future students' disadvantage, Mr. Ruby will be retiring in June. He has served others for many years and has never been given the credit he deserves. He will be missed, but his memory will live.

1. With the aid of two pencils Mr. Ruby shows the class the correct way to play tic-tac-toe? 2. Mr. Ruby points out another possibility for answering a problem. 3. A friendly talk between Mr. Lovett and Mr. Ruby at the retirement banquet. 4. Mr. Ruby discusses mathematics with his students. 5. Briefcase in hand Mr. Ruby walks through the campus to his first class. 6. Jim Rondeau seeks help from Mr. Ruby.

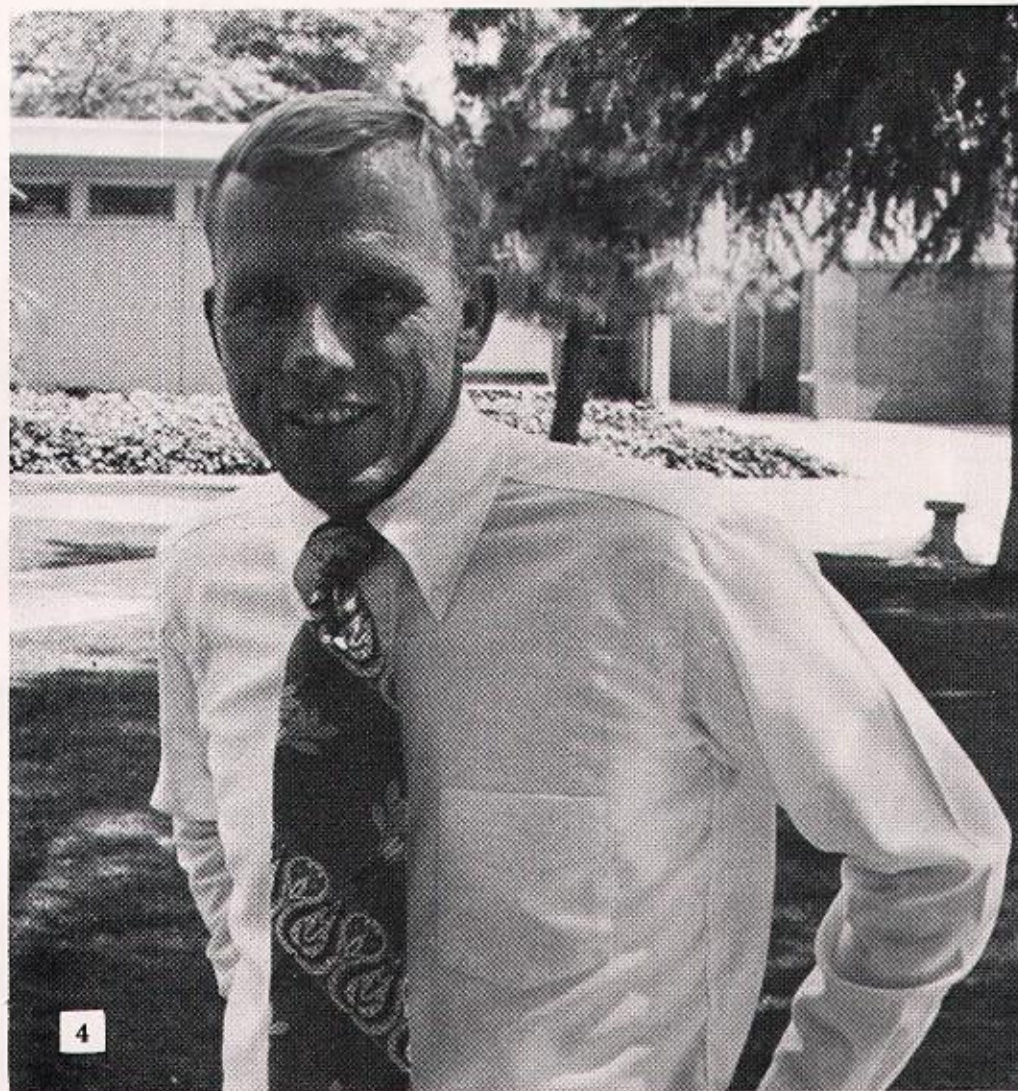

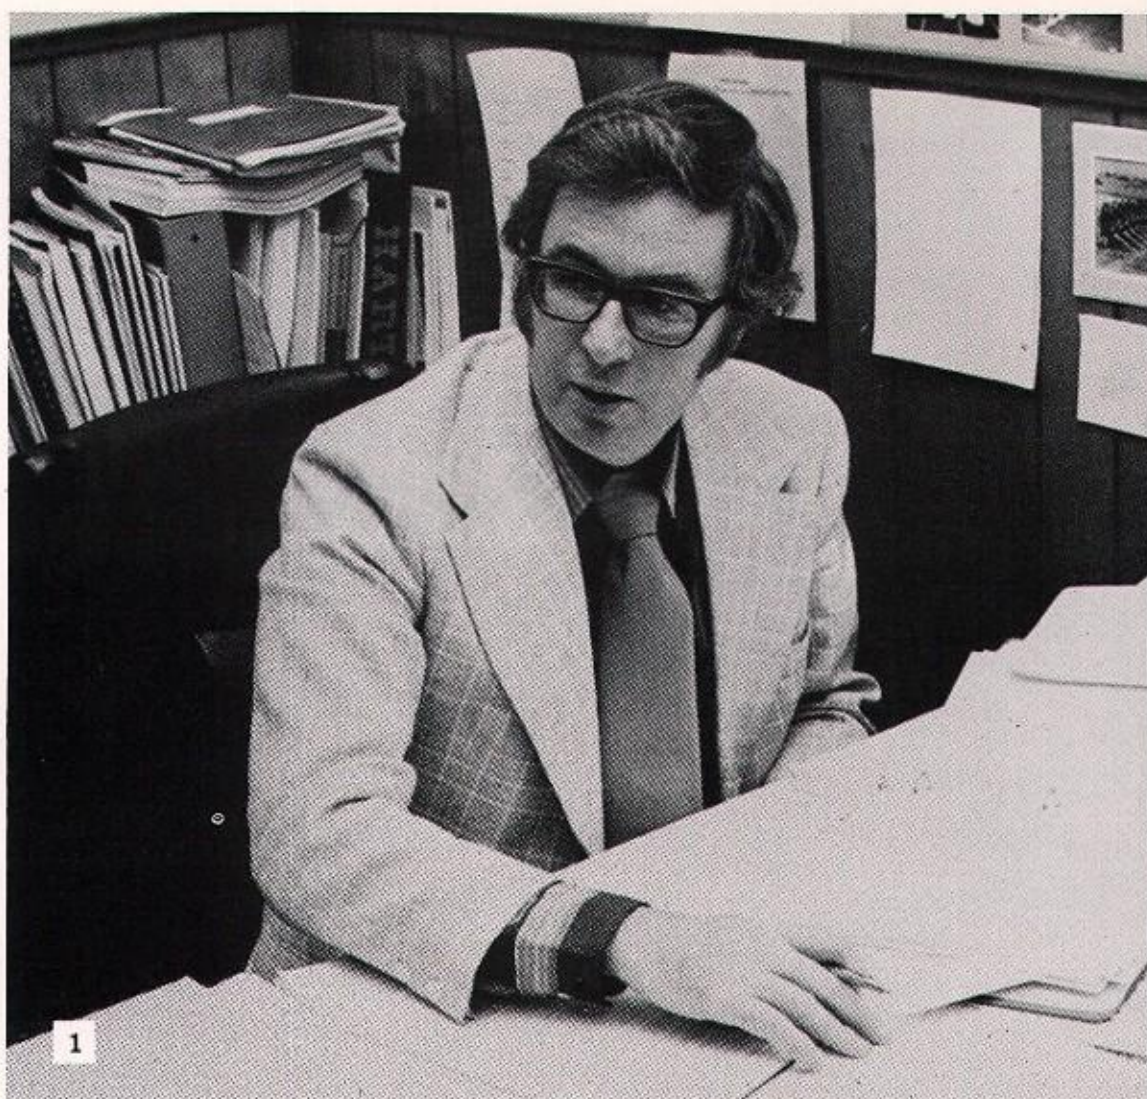

The Administration

is another name for our Principal and his associates. Mr. Hanigan was the proud father of new buildings on the Hart Campus. Mr. Hanigan, as principal was involved in school business but was always aware of student affairs. Every day Mr.

White informed students of daily happenings at Hart with morning announcements. Last year Mrs.

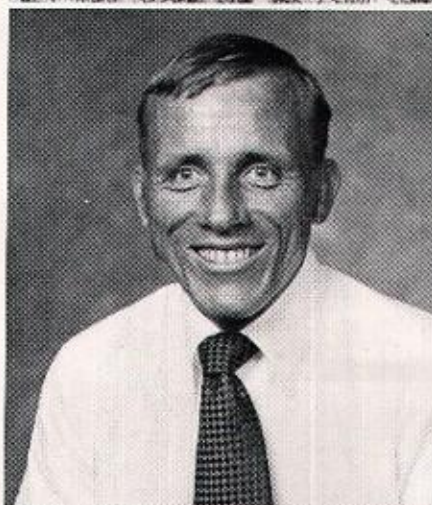

Port and Mr. Beaur were Deans of people in accordance with the law affecting sex segregation. All of these people combined to form our administrators for 1977.

1. Mr. Hanigan at his painful job of running the school. 2. Mr. White plans a July teacher's conference. 3. Donna shows off her feathers to Mr. Hanigan. 4. Mr. Beaur catches another "volunteer." 5. Mrs. Port gives an end of the day smile.

Help

was the main goal of the counselors this year. They helped students to get their schedules together along with preparing them for college. Mrs. Gallagher, the R.O.P. counselor, helped students to get some experience in a job they may have been interested in for a career. Congratulations to all of the counselors who did such an outstanding job.

1. "Huh?" 2. Mrs. Searby laughs about a sophomore's predicament. 3. R.O.P. counselor, Mrs. Gallagher checks through some papers. 4. Mr. Thon straightens up his fan mail. 5. Old pals Mr. Beaur and Mr. Thon get together for a picture.

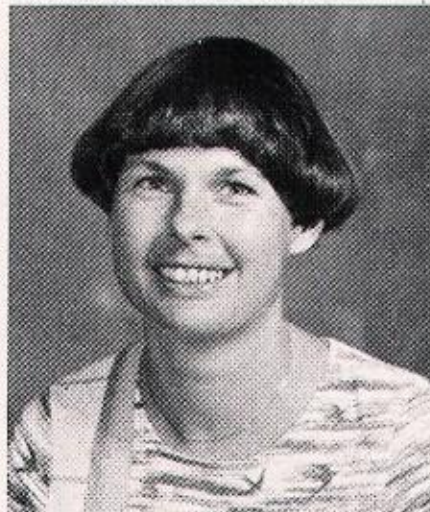

A cheery hello

while answering the phone and the clackety-clack of electric typewriters were all in a day's work for Hart's secretaries. These are the secretaries who did it all. Like keeping every individual and attendance record of every student, monitoring of the traffic through the office, and yes, even providing secretarial services for the school's administration. This was just a few of their duties. While these hard workers were keeping the school running well, Karen Effertz did some hard work of her own catering to the health needs of the many students. These busy people worked the whole school year keeping Hart running as smoothly as possible.

Ranging from

football coaches to foreign language experts, this year's teachers offered aid in all fields of education. The students gained knowledge in Mathematics, English, Science, Physical Education, and both Fine Arts and Practical Arts. Our teachers provided hard, mind-boggling work, and also, some excitement to keep the courses interesting.

Dedicated, determined

and destined to finish their jobs before the day's end, the custodians efficiently maintained the pride of Hart. Roaming the campus in their Cushman carts, the custodians consistently kept the grounds clean, fulfilling their duties as Hart's cleaning crew.

The Organizations

Hart played host

to three foreign exchange students during the 77 school year. Besides making many new friends, the three were involved in many extra curricular activities including sports and drama productions. Mikael Dahl, from Sweden, made a big contribution to the water polo team where he later received a trophy for most improved J.V. player. Mike also earned his varsity letter on the boys' swim team. Ana Gomez, A.F.S. student from Switzerland, made her presence known on Hart's stage as she appeared in both drama productions "Stage Door" and the musical "My Fair Lady." Unni Mikkelsen also made her contribution to Hart on the girls' Var. swim team. It's easy to see that all three of Hart's "foreigners" made worthwhile contributions to Hart High. However, in addition to the three students who visited us, we had two students visit other countries during the summer. Maureen Ladley visited Switzerland and Joe Baltierra visited Tasmania, Australia. Both came back with many slides and stories for everyone.

resulted from good grades. C.S.F. members gathered together for numerous meetings to decide on an activity. They went to Disneyland and had an enjoyable time. Also, the C.S.F. supplied its members with tickets to a professional baseball game between the L.A. Dodgers and the Cincinnati Reds. These students learned that being smart pays off in high school as well as in the future.

"One more time!"

was the battle cry for the year as the Chieftains wished and hoped for the chance to win the coveted "Battle of the Bands" at the Hollywood Bowl. Not to be overlooked, the Braves also competed for Bowl competition.

Both stage bands appeared in various jazz competitions throughout the year, always placing in the top 30%. In additions to festivals, they appeared at all school concerts, and the Chieftains performed at the Chino Men's prison. Overall, the year was a phenomenally productive one for the Hart Jazz bands and one that will not soon be forgotten.

"We're goin' to Hawaii,

Hawaii, straight to Hawaii, and do ya wanna come along with me?" These infamous lyrics express the fervent wishes and hopes of the Hart band throughout the 1976-77 school year, as they awaited the end of June and the day they would depart for the South Pacific island of Hawaii. The fall semester was never a dull one for the band, fall football shows, spirit rallies, halftime and parade competitions, and fund drives filled every day with hard work and practice.

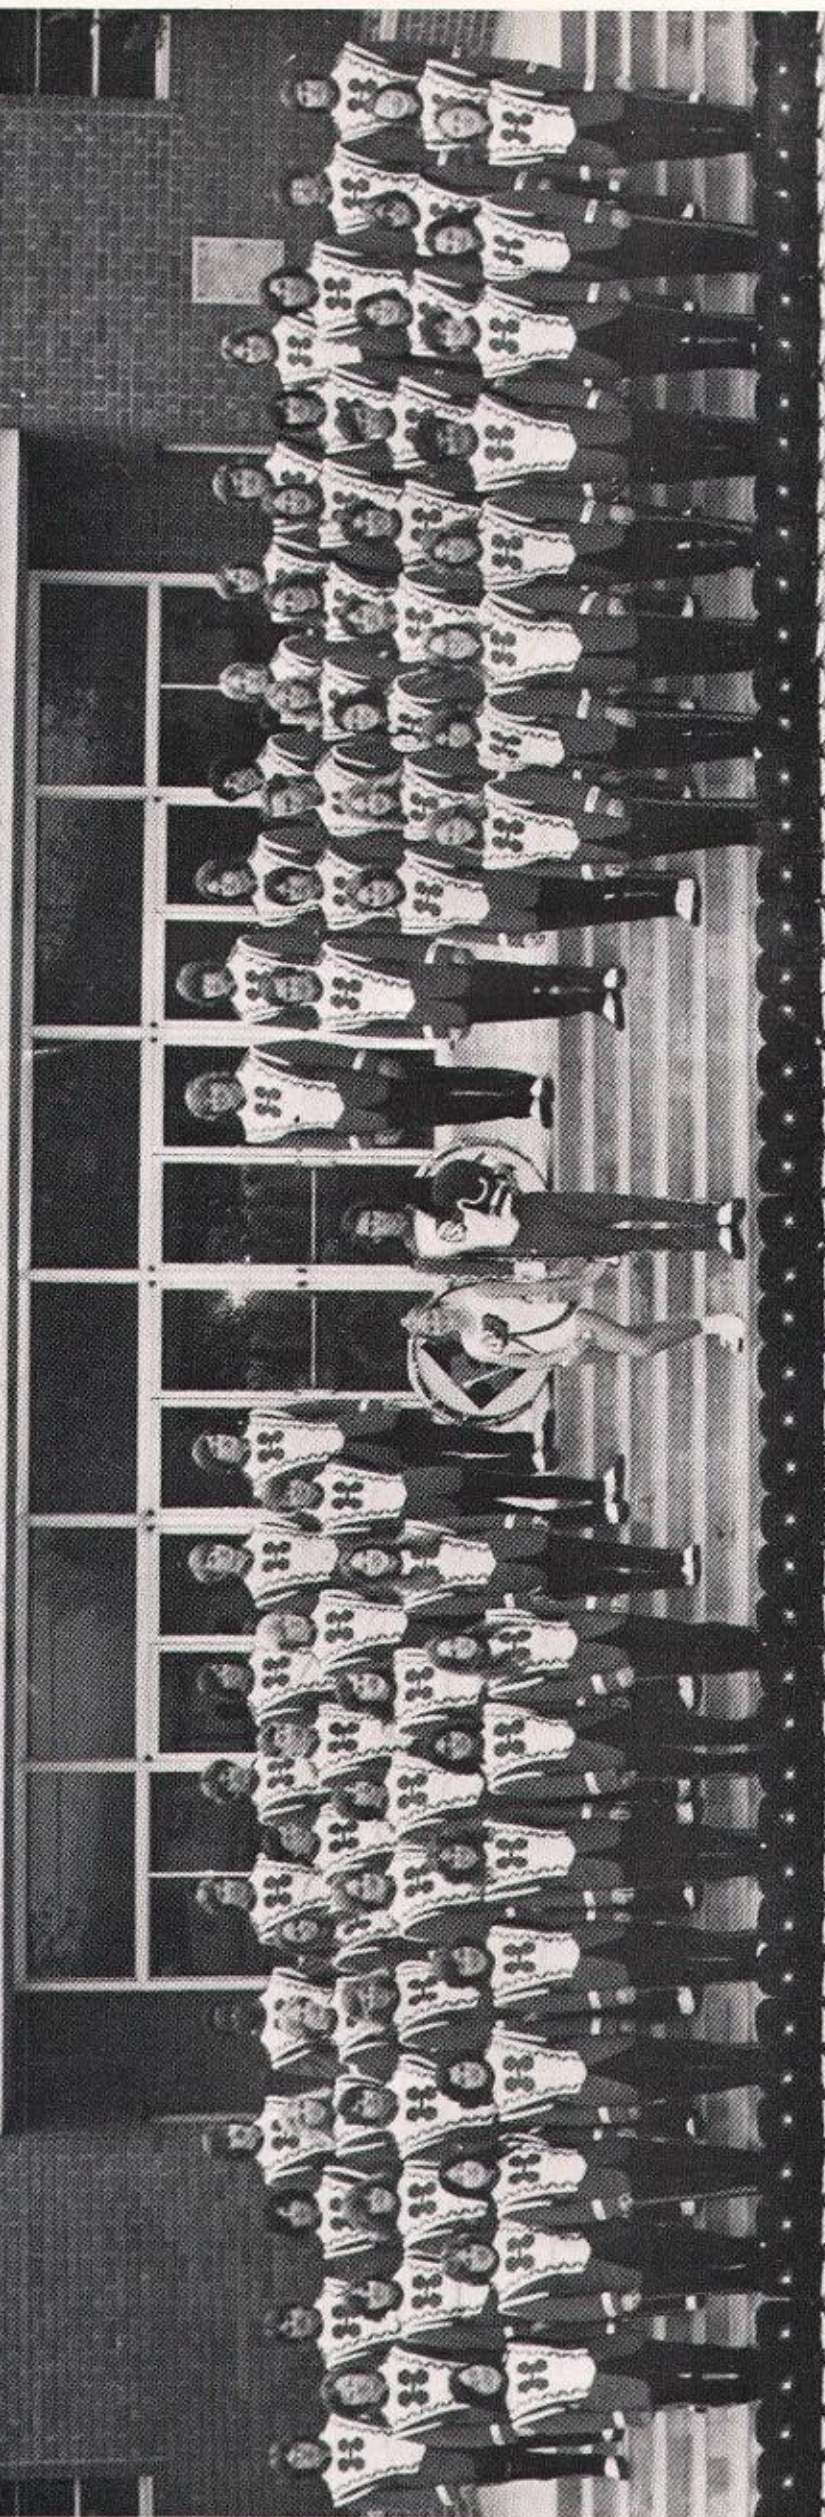

Their labor did not go unrewarded, as they received the Sweepstakes trophy at the Chaffey College halftime competition, and recognition as one of Southern California's finest marching units. Spring semester was also busy as the fund drives continued, along with practice for the Winter Concert, the musical "My Fair Lady," and the end-of-the-year spectacular, "Strictly Instrumental." By the end of the year, over \$25,000 had been earned by the band, flag and drill team to supply half of the amount needed for the trip. In Hawaii, the band will compete in three categories: Halftime Show band, Concert band, and Jazz band. Gold, silver and bronze medals will be awarded to outstanding groups who compete, and hopefully, the Hart bands will come home with all gold.

Relying on Luck?

Never! It took lots of work and time to create the 1977 Flag Team. Competition was rough but skill won out. Tall Flags competed at Arroyo Festival and took fourth place, at Santa Monica and took fourth place, and also State Competition and took a third place. Twirling Flags competed at State Competition and took a fifth place; this was the first time ever in a competition. Color guard competed in Southgate Parade and took third place. The girls worked all during the summer and the school year preparing for each competition, but they also worked hard on fund raisers. These fund raisers consisted of selling carmel apples, and M & M's. They also sponsored a car wash. All of these helped pay for a trip to Hawaii for a competition based on a point system not competing against other teams. Their hard work and effort truly paid off.

Filling dreams

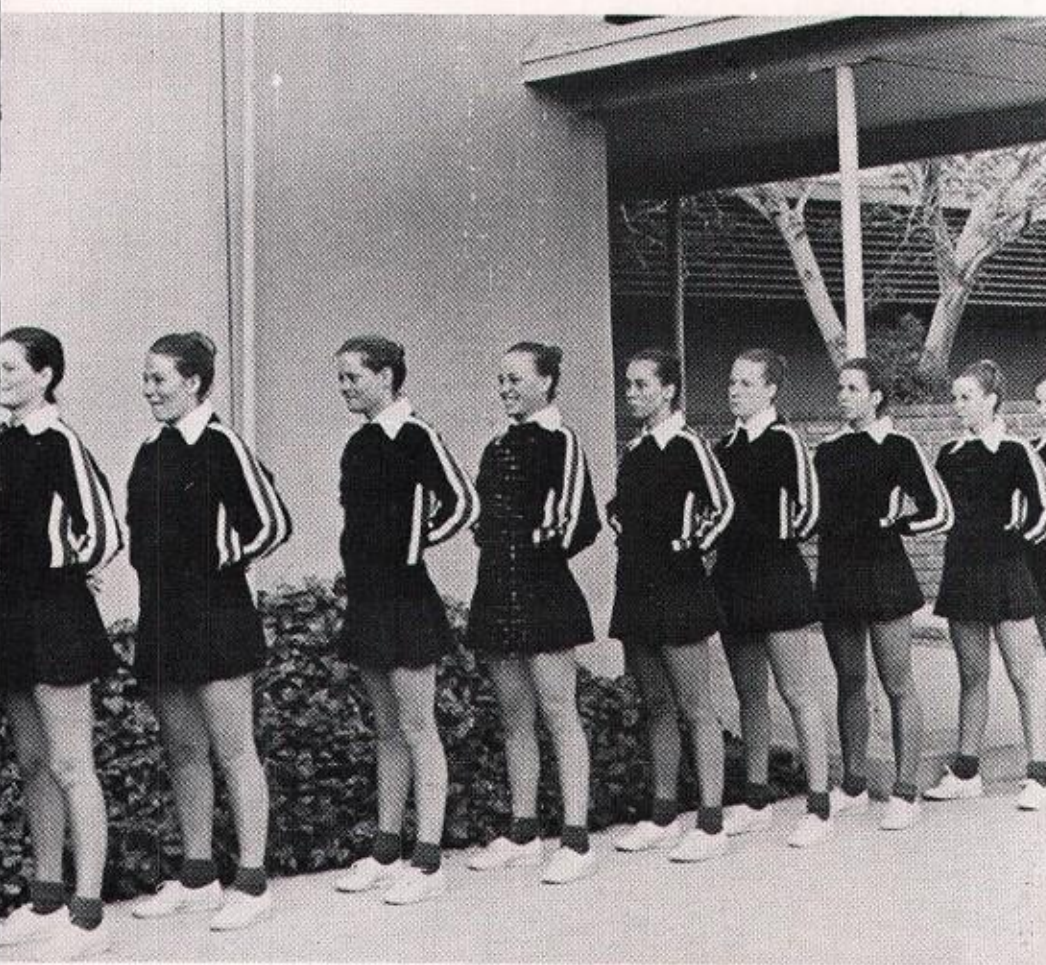

with reality is what the 76-77 Drill Team has done. They have turned the dream of winning into the reality of accomplishment. The girls begin their long training program on the beginning of summer, and continue it through the school year. They practice anywhere from one hour to three hours a day. The long hours and hard work paid off in their competitions, during the school year they competed at Arroyo High in El Monte and took a 2nd place, Miss Drill Team U.S.A. in Santa Monica and took a 2nd place in a field of nineteen teams. Chaffey College half-time competition drill team took 1st place. Band, Flag Team, Drill Team together took the sweepstakes award in Class AA. The girls have worked extra hard during the year for a very special reason. They spent the summer in Hawaii at a competition where they were graded on standards rather than competition. More than just winning was accomplished during the school year, the satisfaction of knowing you have given your best was achieved by everybody on the Drill Team.

Surprise

boxes, boutonnieres, and various other things were sent out on certain Fridays to both the football and the basketball teams. During football season the varsity cheerleaders and songleaders kidnapped the team and took them out to breakfast after the Canyon game. They also held a spaghetti dinner for the basketball team. All the Pep Squad gave the basketball and football teams boutonnieres during homecoming, Pep Squad had the teams do things like being blindfolded and being kissed by a varsity cheerleader and forming themselves into letters while the crowd yelled a chant. This year's Pep Squad did an outstanding job.

Formals and Kidnaps

were some of the activities organized by Student League and Spirit Squad. Besides small money raisers such as car washes, bake sales, and dances, the Student League sponsored the Formal and the annual Mother-Daughter Tea all of which were very successful. Kidnap breakfasts were in store for the Pep Squad and Soph. and Var. Basketball teams when those master minds of the Spirit Squad got together. The combined talents and ideas of the club made Hoop-De-La and Sprolic Week effective enough to lift school spirit during the lackluster brought on by spring fever.

A Varsity Letter

qualifies a person to be a member in the Lettermen or Lettergirl's clubs. The Lettermen's club meets on Wednesday nights. They are one of the most enthusiastic groups on campus. The Lettergirls also greatly support the school's activities. The most apparent contribution of both clubs is the annual Donkey basketball game. This event is a fine example of letter people's spirit.

Another of our most important examples of spirit is our mascot portrayed by Donna Fox.

She conducted the rallies and announced performances, teams, and highlights of previous games. She led cheers at the games and ended the night with the Alma Mater whether victorious or otherwise. A new addition to the Pep Squad was our Yellkings, Dave Thomson and Mike Lomont. They astounded the crowd by doing dutchmans, roundoffs, and a series of flips. This year's promoters of spirit did a great job.

Entertainment

was just what the Beginning chorus, Advanced treble choir, Concert choir and Vocal ensemble provided for many people at the Christmas and Spring concerts. These four fine groups were kept in tune by their director, Robert Babko, who claimed this group of singers to be the best he has ever had. Two students, Dave Leathers and Becky Klar, tried out and were successfully chosen to be part of "The Young Americans," a young singing group that performs throughout the United States. No high school has ever had two students chosen, so this was a great achievement for them. 1977 was a very busy year for the Sound Vibrations. They entertained at Chino prison with the Chieftains, and also got the honor of performing at Magic Mountain. At the Spring concert, three awards were received by some exceptional students. Joni Worth and Bob Romans were named Outstanding female and male vocalists and Dave Leathers received the award for the greatest contribution to the music department.

Student participation

A short part of our lifetime is spent at school. We learn many things but the one thing we can never be taught is the freedom of self expression. Whether this is through poetry, art, or photography.

"To Catch the
Elusive
Iridescence"

I grow up and leave you with my thoughts and memories behind me.
And once in a while, when I'm older - I remember you.
The fun, the joy, the sadness, the people.
And throughout life I take with me, the memories of our precious Hart.

Interesting Subjects

were found by enthusiastic, camera-clicking Photo club members in the cities of Carmel and San Diego. Photographers used numerous rolls of film on trips such as these, which were later turned into beautifully mounted prints. The Photo club held many meetings in which they learned and discussed new techniques to be applied to their own personal work. This work was entered in print contests held by the club, with the winner receiving a free box of printing paper. Although many extraordinary photographs were produced of scenic places and unusual objects, the Photo club found that the most amusing pictures were of the members themselves.

In Dedication to Anthony Lovette:

Photograph a feeling; duotone an inner desire;
 Print my mood eight by ten. Over develop my
 Ideas and goals in dectol and my negatives
 Will become obscure. Keep to the attention
 Point, don't let the eye wander. I see my
 Dream in black and white - a five by seven.
 I can tear up my print whenever I wish
 Burn it in an instant.
 Or . . . , I can carefully crop and mount it.
 A black and white on a pure white board.
 Frame it behind glass and display it in the
 Center of my heart.
 My vision narrowing through the lens catches
 Images on Tri-X. With my f-stops accurately
 Set I softly squeeze the shutter.
 The curtain opens and closes quicker sometimes
 Than the eye. It clicked . . . it's mine . . .
 It's in the heart. Feelings and desires are
 Captured on film - the film of your feelings.
 The finished print is my goal
 I stand back and look
 The photograph flows in me. I perceive the
 Mood. The photograph speaks to me; I am
 Aware of your feelings.
 Photograph them quick!
 Print and mount! Frame them
 And store them away
 In the portfolio of my heart.

Problems

plagued the ski club all season long. Their major difficulty was finding snow. The drought left both the mountains and the skiers high and dry. They still had many meetings discussing hopes for next year's snowfall. Good-luck snowbunnies!

F.A.O.A is

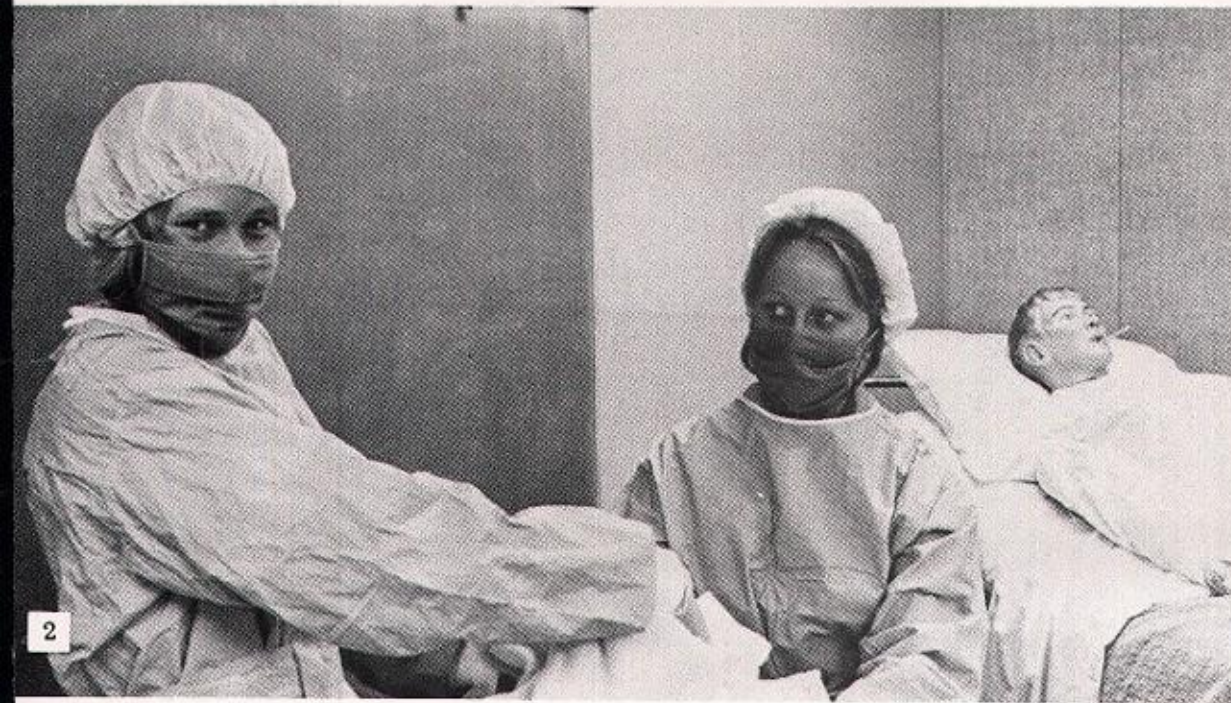

one of the most outstanding organizations on campus. Dedicated to community and school service, they have sponsored such annual events as Campus Beautification Week, Camarillo Retreat Field Trip, and the Dom DeLuise-Look-Alike Contest, which was won by Rochelle Thomas, with student Tom Mazzocco taking first runner-up. During this summer the group planned a trip to the national F.A.O.A. convention in Des Moines, Idaho. The F.A.O.A. was founded in 1876 by William P. Henderson, dean of a small eastern teaching college, who felt there was a void in the camaraderie between administrators. In the F.A.O.A. shield pictured below, the key symbolizes the importance of its members. Thus, the more keys a person has the more prestige he gains. Perhaps that is why Ray Toscano was unanimously elected advisor of the group.

Medical Services and

medicine allow this world to go around. Without today's medicine, we would not be surviving. In order for people to perform these medical services, much schooling must be accomplished. Hart High sponsors programs to start people off in the nursing field and all aspects in the medical field. Using a mannequin, properly known as Mrs. Chase, to practice their procedures on, the students have fun learning. They meet at Newhall Memorial Hospital on Tuesday, Wednesday, and Thursday during first and second period to learn the basic skills of first-aid and to get the feel of the hospital atmosphere. The students also wear the hospital uniform to aid in easing into the job. These times at the hospital teach the students the material they need to know in order to enter college and open many opportunities to enter colleges of high quality.

Pow Wow Power

broke through this year to take the place of the Smoke Signal. The paper, which consisted of a staff of five, dealt in student interests and activities which occurred during the school year. Approximately every three weeks, the students in Miss Thomas' student government class and those in Mrs. Leathers' advanced typing class compiled their skills to write and type the stories. After being proof read by Mrs. Huenick, the stories were pasted and run-off by co-editors Scott Schirard, Kevin Miracle, Lisa Kloth, and Sue Brinsmead.

For a change of pace

from the cliché sports such as football, baseball, and basketball, Spiderman Barr led a herd of hollering maniacs into a not so new activity called Karate. The main form used by the club members is Kajukenbo, which is a mixture of Karate, Judo, Kenpo, and boxing. Coordination and self discipline play a major role in this style of self defense. Through learning these ancient Oriental arts, the students have experienced other cultures and have improved themselves as well.

Budgets ballots and bylaws

were all a part of the Executive Board activities. The Board consists of all the class officers, ASB officers and commissioners, and ASB advisor Ms. Rochelle Thomas. The Executive Board meets once a week to discuss past, present and future activities. The agenda often includes budgets transfers and check requests from various organizations around campus. Fall semester ASB President and Vice President were Mike Lomont and Dave Leathers. Kodee Murray and Betsy Myers were President and Vice President during the spring semester.

A year of memories

were recorded like a history book by the 77 Tomahawk staff. With photographers on the prowl and writers with pen in hand, the staff tried to capture the events visually and legibly. Advisor Dave Hall, editors Suzanne Markanton and Gail Hunt, and the staff began work on the book long before school started in Fall. As the year progressed the students worked furiously to meet deadlines so the annual would be completed on time for distribution the next Sept. Finally the difficult job was done and the 77 Tomahawk hopes that this yearbook holds for you the memories of the people, the places, and the events of Hart High.
